The Board adopts the relevant portions of "The Florida Service-Disabled Veteran Business Enterprise Opportunity Act," section 295.187, Florida Statutes, which provides a vendor preference in favor of certified service-disabled veteran businesses. The state, through its Department of Management Services, will develop a certification procedure.

In assessing priorities for award, when identical prices are received from two or more vendors and all other factors are equal, priority for award shall be given to a certified service-disabled veteran business enterprise as defined by §295.187, Fla.
