Create a Green Council for Terra Environmental Research Institute. This Council will support, promote and bring additional resources to the work of the students, faculty and parents of Terra Environmental Research Institute.

The Council will consist of five members. Three members from the broader community, the President of the Parent Teacher Association (PTA) of Terra Environmental Research Institute and the Student Government President of the school. The Council will work with the school's principal to accomplish its goals.

ACTION PROPOSED BY

MS. ANA RIVAS LOGAN: That The School Board of Miami-Dade County, Florida, approve the creation of a Green Council for Terra Environmental Research Institute to sunset after two years.
