**LINK TO STRATEGIC
FRAMEWORK: SCHOOL/DISTRICT LEADERSHIP**

School Board Rule 6Gx13-8C-1.04, *Liaison Representatives*, provides that the Chair of the School Board may appoint individual Board members to serve as representatives of the Board on other official boards, agencies and committees. The Chair must make such appointments to Miami-Dade County's Value Adjustment Board (VAB).

Miami-Dade County's Value Adjustment Board (VAB) is an independent body that hears and decides property tax assessment and exemption denial appeals from taxpayers. Pursuant to Section 194.015, F.S., the composition of the VAB includes a member of the School Board or alternate who are elected by the School Board. The School Board also must appoint a citizen who owns a business occupying commercial space within the school district.

This item requests that the Board confirm the appointment of Mr. Carlos Curbelo, Board Member, as the School Board's representative to the VAB; Dr. Dorothy Bendross-Mindingall, Board Member, as the Board's alternate representative to the VAB; and Mr. Hani M. Jardack, as the Board's citizen member of the VAB. As an owner of a business established in Miami-Dade County, Mr. Jardack meets the statutory requirements for VAB membership. Mr. Jardack has been a business owner in Miami-Dade County for over 23 years. Mr. Jardack's resume will be provided to the Board under separate cover.
