

Dr. Wilbert "Tee" Holloway, Board Member

**SUBJECT:                   REQUEST FOR APPROVAL OF RESOLUTION NO. 11-062 OF  
THE SCHOOL BOARD OF MIAMI-DADE COUNTY, FLORIDA,  
RECOGNIZING MIAMI NORLAND SENIOR HIGH SCHOOL  
STUDENTS FOR THEIR PARTICIPATION IN THE TEKBOARD  
EDUCATIONAL SYSTEM INTERNSHIP PROGRAM**

**COMMITTEE:               SCHOOL SUPPORT ACCOUNTABILITY**

**LINK TO STRATEGIC  
FRAMEWORK:               STUDENT, PARENT, AND COMMUNITY ENGAGEMENT**

Tekboard is an innovative company that develops, manufactures and delivers a line of high-quality technology, comprehensive technical support and end-user instructions to educational systems and other organizations. The Tekboard Educational System is an interactive multimedia panel with a touch screen, which enhances presentations and classroom instruction. The Tekboard technology increases the interest and attention of the user while improving retention and boosting participation of the user.

Tekboard offers students a unique internship program that allows students to work with software and hardware. This year, four Miami Norland Senior High School students participated in the Tekboard Educational System Internship Program. Maina DeClasse, Devante Edmondson, Wesley Miller and Maurice Richardson participated in the inaugural internship program.

The internship program gives students hands-on experience with developing graphic designs, software and website designs, as well as correcting hardware. Tekboard staff assists students with workshops, tutoring, instructions and training on the usage of the product.

The students are to be commended for their participation in the rigorous internship. The completion of this internship demonstrates their commitment and dedication to academic success.
