

Office of School Facilities
Jaime G. Torrens, Chief Facilities Officer

**SUBJECT: AUTHORIZATION TO AMEND THE ARCHITECTURAL /
ENGINEERING PROJECTS CONSULTANT SERVICES
AGREEMENT WITH CSA CENTRAL, INC., TO REFLECT A
CHANGE IN PRINCIPAL RESPONSIBLE TO THE BOARD**

COMMITTEE: FACILITIES AND CONSTRUCTION REFORM

**LINK TO STRATEGIC
FRAMEWORK: FINANCIAL EFFICIENCY/STABILITY**

On March 12, 2008, the Board commissioned the firm of CSA Central, Inc. (CSA), to provide Architectural/Engineering Projects Consultant services, with a four-year Agreement. According to documentation provided to staff, CSA requests the Board's permission to replace William Brown with Reinaldo Vera as the designated Principal because Mr. Brown is no longer with the firm.

Should the Board authorize this request, the Architectural/Engineering Projects Consultant services Agreement with CSA will be amended to reflect the change in Principal directly responsible to the Board.

All other fees, terms and conditions will remain the same as in the original Agreement, as amended on February 10, 2010.

RECOMMENDED: That The School Board of Miami-Dade County, Florida, authorize an amendment to the Architectural/Engineering Projects Consultant services Agreement with CSA Central, Inc., to reflect a change in Principal responsible to the Board.
