**SUBJECT: REQUEST AUTHORIZATION TO ENTER INTO
CONTRACTUAL SERVICES AGREEMENTS, PURSUANT TO
REQUEST FOR PROPOSALS NO. 006-LL10 – DISASTER
DEBRIS REMOVAL MONITORING SERVICES**

COMMITTEE: FACILITIES AND CONSTRUCTION REFORM

**LINK TO STRATEGIC
FRAMEWORK: FINANCIAL EFFICIENCY/STABILITY**

Request For Proposals No. 006-LL10 – DISASTER DEBRIS REMOVAL MONITORING SERVICES, is to support the oversight and management of debris removal contractors, during disaster response recovery, for Maintenance Operations. The selected proposer(s) shall also provide a range of related services, including damage assessment, training, emergency planning and other services as needed and/or requested by Miami-Dade County Public Schools, on an as-needed basis. Other services may include facilitating communication with Federal Emergency Management Agency (FEMA), other federal agencies, and coordination with the Department of Emergency Management (DEM). This is a term proposal. Seven proposers responded to this advertised solicitation. This is an award to a primary and alternate vendors.

The decision to initiate the selected proposer(s) services will be on an event-by-event basis, and is dependent upon, among other factors, the amount and extent of debris requiring removal.

A meeting of the Selection Committee to evaluate the proposals was held on May 31, 2011. Seven proposals were presented for consideration: Barnes, Ferland & Associates; ConsulTech Enterprises, Inc.; Disasters, Strategies & Ideas Group, LLC; Metric Engineering, Inc.; O'Brien's Response Management, Inc.; Science Applications International Corporation; and True North Emergency Management, LLC. After careful consideration and discussion, the Committee recommended O'Brien's Response Management, Inc., as the primary, True North Emergency Management, LLC, as the first alternate and Disasters, Strategies & Ideas Group/Debris Solutions Group, as the second alternate awardees.

The Committee's recommendation was based on the evaluation criteria set forth in the Request For Proposals, which includes qualification and experience of the firm, personnel resources, detailed work plan, and ability to mobilize. Submittal of hourly rates shall in no way preclude the District from negotiating lower hourly rates for specific work orders.

RECOMMENDED: That The School Board of Miami-Dade County, Florida, **AUTHORIZE**, the Superintendent of Schools, to enter into contractual services agreements, pursuant to Request For Proposals No. 006-LL10 – DISASTER DEBRIS REMOVAL MONITORING SERVICES, to support the oversight and management of debris removal contractors, during disaster response recovery, for Maintenance Operations, effective June 15, 2011, through June 14, 2012, as follows:
