The following "Superintendent Authorized Requisitions" (SAR) had a purchase order issued within the guidelines of Board Rule 6Gx13- 3C-1.10 – Purchase Approval, which states that emergency purchases made in accordance with Board Rule 6Gx13- 3C-1.16 – Emergency Purchases, and approved by the Superintendent or his designee, will be reported to the Board as soon as possible.

This emergency request was for the purchase of a generator for American Senior High School, which has been designated as an emergency hurricane shelter. The current generator is not capable of providing power to the facility as required. Given that the 2011 hurricane season has begun, the purchase was made on an emergency basis, to ensure prompt installation.
