FRAMEWORK: STUDENT, PARENT AND COMMUNITY ENGAGEMENT**

Since 1999 and under the guidance of President Ernesto Perez, Dade Medical College has helped students achieve their highest potential and professional goals. The College aspires to be a bridge that enables individuals, who under normal circumstances would not have the means or the time needed to attend a more traditional educational institution, fulfill their dreams.

With that goal in mind, Dade Medical College established the "Feed the Dream" scholarship in 2011 exclusively for Miami Dade County Public Schools graduating seniors. The award is a full, two-year scholarship to those students interested in pursuing a career in nursing by providing tuition, uniforms and all necessary textbooks. Upon graduation, the scholarship recipients will receive an Associate Degree in Nursing (RN).

The following outstanding Miami-Dade County Public Schools students were awarded the first ever "Feed the Dream" scholarships for the 2011-2012 school year by meeting high standards of eligibility including a 3.0 cumulative grade point average.

Alejandro Israel Ortiz Trabucco - John A Ferguson Senior High School
Elizabeth Reyes - Barbara Goleman Senior High School
Jorge Maqueira - Westland Hialeah Sr. High
Shareen Regina Pean - William H. Turner Technical Arts High
Nicole Campos - Barbara Goleman Senior High School

President Ernesto Perez and Dade Medical College are to be commended for their contribution to our community through the "Feed the Dream" Scholarship benefiting Miami-Dade County Public Schools students and their families.
