General Fund

Revenues

Transfers-in represent reimbursements to the General Fund from LOML (local optional millage levy) and PECO maintenance (capital funds) for certain capital outlay expenditures, maintenance and repairs as authorized by Section 1011.71 Florida Statutes. Additionally, as a result of a change in financial reporting as directed by the Florida Department of Education (DOE), charter school capital outlay funding is recorded in the Capital Funds and then the Capital Funds reimburse the General Fund through a transfer-in. Also, as a result of a legislative change allowing for flexibility in the use of LOML funds, the Capital Funds also reimburse the General Fund for property & casualty insurance expenditures. As of November 2011, reimbursements to the General Fund through transfers-in amounted to \$18,706 consisting of \$5,716, and \$12,990 for charter school capital outlay, and property & casualty insurance, respectively.
