The level of support and engagement given by its community can only enhance the education of its students. This level of inclusion is evident in almost every major decision that Miami-Dade County Public Schools makes because M-DCPS continually solicit and consider the interests of the community. It is evident in the many information sessions that keeps the community informed, its network of volunteers that serve in our schools, and the many advisory board members who represent School Board Members and the Superintendent of Schools that the relationship between the community and school officials adds value to the education environment of Miami-Dade.

Members of District 2's Advisory Boards are:

- Nathaniel Miller and Ethel Pruitt of the Attendance Boundary Committee;
- Mayowa Odusanya of the Auditing and Budgeting Committee;
- Dr. Frederick A. Morley of the Citizens' Oversight Committee;
- Ivan Yaeger and Carmen Morris of the District Wellness Advisory Committee;
- Henry Goa and John Hornbuckle of the Diversity, Equity, and Excellence Advisory Committee;
- Beverly Nixon and Wendell Francis of the Division of Student Services Advisory Committee;
