The Florida Department of Education (FLDOE) has awarded supplemental Adult Education and Family Literacy funding in the amount of \$4,347,515 to Miami-Dade County Public Schools (M-DCPS), to fund Adult Education and Family Literacy Programs from July 1, 2012, through June 30, 2013. Authorization to receive this award was provided under a separate Board item at the School Board meeting of October 10, 2012, Agenda Item C-80, which provided information on this award and various other grant awards.

The grant supports projects that demonstrate effective practices and increased academic achievement as a result of research-based practices in adult education, workforce readiness, and family literacy. The services by collaborative partners and the purchased services listed below were included as part of the continuation grant proposal.

Under this Adult Education and Family Literacy Act initiative, the FLDOE encourages the District to form collaborative partnerships with community-based organizations (CBOs) that operate educational programs and offer appropriate services serving similar populations. School Operations will oversee implementation of performance-based supplemental services grants that meet the special needs of learners in these programs. The District requires CBOs that wish to participate to submit a Request For Information (RFI), Community Based Organization Grant Partnership through the Office of Procurement Management. The M-DCPS RFI process is based on criteria established by the FLDOE pursuant to the state Request for Proposal for participation in grant activities, including the requirement to meet or exceed prior year performance deliverables. Each CBO grant award targets a special needs population such as non-native English speakers, migrants, adult learners, and parents of school-aged children.

The CBOs identified below were selected pursuant to the RFI of April 5, 2012. CBO partners will enter into separate contractual agreements with M-DCPS and payment will be rendered in several parts. CBOs will receive fifty percent (50%) of the contracted amount during the first part of the contract, with the remainder to be dispersed upon completion of the performance core measures and contractual obligations.

Purchased services include professional development and strategic planning services provided in collaboration with Adult and Community Educators (ACE) of Florida, Council for Adult & Experiential Learning (CAEL), and audio-video services provided at the venue selected for an annual ELITE conference event.
