**COMMITTEE: INSTRUCTIONAL EXCELLENCE AND COMMUNITY ENGAGEMENT**

**LINK TO STRATEGIC FRAMEWORK: STUDENT, PARENT AND COMMUNITY ENGAGEMENT**

The Adrienne Arsht Center Foundation and the Borinquen Medical Centers of Miami-Dade recently presented Architecture Scholarship Awards to 19 deserving Design and Architecture Senior High School students. The students participated in a competition to design a Human Rights Monument/Urban Park at the entrance to the Design District.

The competition challenged the students to design the public area for both passive and active activities including sitting, relaxing and people-watching as well as small events and celebrations. The competition emphasized the work being done in the community to protect human rights and fight against bigotry and hate. The student's work was juried by local architects and community members.

Top honors went to four talented students. The Overall Best Project recognition was presented to Rebecca Rubin as well as a \$1,000 scholarship. Brianna Leatherbury, Amanda Fernandez and Jilliane Marasigan received Honorable Mention recognition and a \$500 scholarship each. The other 15 students each received a \$100 scholarship.

The Adrienne Arsht Center Foundation and Borinquen Medical Centers of Miami-Dade are to be commended for their philanthropic work on behalf of the students and families of Miami-Dade County Public Schools.
