COMMITTEE: INSTRUCTIONAL EXCELLENCE AND COMMUNITY ENGAGEMENT

LINK TO STRATEGIC FRAMEWORK: EDUCATION

Request For Proposals No. 058-NN10 – TITLE I EQUITABLE SUPPLEMENTARY EDUCATIONAL SERVICES (ESES) FOR NON-PUBLIC SCHOOL STUDENTS AND SUBJECT TO THEIR SELECTION BY A PARTICIPATING NON-PUBLIC SCHOOL, is to deliver equitable supplementary educational services (ESES) in the areas of reading, mathematics or science, to Title I eligible students enrolled in non-public schools, as well as professional development and parental involvement activities in support of these students, their teachers, and families, for Title I Administration. This is a term proposal. Nine (9) proposers responded to this advertised solicitation.

The No Child Left Behind Act of 2001 (NCLB) requires Local Educational Agencies (LEAs) to provide equitable supplementary educational services to Title I eligible students who attend non-public schools, directly or through contracts with public and private agencies, organizations and institutions. The United States Supreme Court has confirmed that local school districts are required to provide Title I funded equitable supplementary educational services to eligible students who attend religiously-affiliated non-public schools.

Eligibility for Title I funding is based upon the number of students who attend non-public schools and reside within the attendance boundary of a public school implementing the Title I program. Each non-public school's allocation is determined annually based upon the District's Title I allocation formula and the number of eligible students at the non-public school. The anticipated contract amount will be established by the number of students generating funding, based on their eligible attendance area, thus representing an average per-student allocation of approximately \$300 per student. The tentative budget for this program is estimated at \$3,400,000.

The term of the contract shall be for one (1) year from date of award and may, by mutual agreement between The School Board of Miami-Dade County, Florida, and the awardees, be extended for three (3) additional one (1) year periods and, if needed, ninety (90) days beyond the expiration date of the current extension period.

The Selection Committee met to evaluate proposals received in response to the Request For Proposals on August 6, 2013. Nine (9) proposals were presented for consideration: A+ Tutoring and Educational Services Corporation; Catapult Learning, LLC; Cool Kids Learn, Inc.; Florida Educational Leadership Council, Inc., d.b.a. FELC Tutors, Inc.; Learn It Systems LLC; Learning Tree of Dade County; Levy Learning Center, Inc.; One on One Learning Corporation; and Rocket Learning Partners, LLC, d.b.a. Rocket Learning. After considerable discussion, the Committee chose Catapult Learning, LLC; Cool Kids Learn, Inc.; Florida Educational Leadership Council, Inc., d.b.a. FELC Tutors; Levy Learning Center, Inc., and One on One Learning Corporation.
