**SUBJECT: AWARD BID NO. 083-NN04 – COLLISION-DAMAGE REPAIRS,
HEAVY-DUTY TRUCKS, VANS AND SCHOOL BUSES**

COMMITTEE: INNOVATION, EFFICIENCY & GOVERNMENTAL RELATIONS

**LINK TO STRATEGIC
FRAMEWORK: FINANCIAL EFFICIENCY/STABILITY**

The purpose of this bid is to purchase, at firm labor rates and parts percentage markup/discounts, quantities, as may be required, of collision-damage repairs and parts for heavy-duty trucks, vans and school buses, for the Department of Transportation, Vehicle Maintenance. A list of qualified vendors is established and contacted to quote on different collision-repair jobs. This is a term bid which states that the Board may purchase quantities, as may be required, at the unit price bid, but is not obligated to purchase any guaranteed amount. Three (3) vendors responded to this advertised solicitation.

The term of the bid shall be three (3) years from the date of award and may, by mutual agreement between The School Board of Miami-Dade County, Florida, and the awardees, be extended for two (2) additional one (1) year periods and, if needed, ninety (90) days beyond the expiration date of the current contract period.

Strategies were employed to increase M/WBE & SBE/MBE participation, inasmuch as the list of registered vendors with the District does not reflect certified minority firms for this category.
