The 5000 Role Models of Excellence Project was founded in 1993 by then Miami-Dade County School Board Member, Dr. Frederica S. A dropout prevention program, the 5000 Role Models of Excellence Project's mission is to intervene in the lives of at-risk youth and to provide them with alternatives to dropping out of school and self-destructive behaviors. The program pairs students ages 9-19 with successful professional adult mentors, who provide the students with advice, guidance, and educational assistance. The 5000 Role Models of Excellence Project serves over 8,000 students in 101 schools in Miami-Dade County, and 450 students in 20 schools in Pinellas County.

The Class of 2014 scholarship recipients includes 124 graduating seniors, who will be awarded a 5000 Role Models Scholarship.
