2. Instructional Personnel Assigned to Teach Out-of-Field:

Florida State Board Rule 6A-1.0503(4), authorizes the School Board to approve those teachers assigned to teach out-of-field. To ensure that the District receives the highest levels of Florida Education Finance Program (FEFP) funding possible, instructional personnel requiring School Board approval to teach out-of-field is submitted to the Board.

The District, with support from region offices, schools and Information Technology Services, closely monitors out-of-field assignments, as well as teachers on such assignments, to insure compliance with appropriate certification requirements and timelines. Said requirements and timelines are as follows:

- Individuals assigned to teach out-of field must complete at least 6 semester hours of college credit or 120 inservice points toward in-field compliance each year. For Bachelor's degree level subjects, achievement of a passing score on the appropriate subject area examination earned since July 1, 2002, meets all requirements toward in-field compliance. All requirements toward in-field certification must be completed within three years.
- Out-of-field teachers assigned to teach English to Speakers of Other Languages (ESOL) must complete at least three semester hours of college credit or the equivalent toward the ESOL requirements within the first two calendar years from the date of the initial assignment. Additionally, three semester hours or the equivalent must be completed during each year thereafter until all requirements are completed.

The aforementioned State Board of Education Administrative Rule states that the Board must approve out-of-field teaching assignments prior to the end of the Full-Time Equivalent (FTE) student survey-period for which FEFP funding will be claimed. The FTE Survey period is February 9, 2015 through February 13, 2015, which is after the February School Board meeting. In order to comply with the provisions of the State Board of Education Administrative Rule, it is being requested that the School Board approve those teachers assigned to teach out-of-field for the period of November 19, 2014 through February 13, 2015. The Superintendent shall provide a supplemental report to the Board of all instructional out-of-field assignments by February 23, 2015.

RECOMMENDED: That The School Board of Miami-Dade County, Florida, approve:

1. The Personnel Action Listing 1068 for Instructional and Non-Instructional appointments, reassignments, leaves and separations from December 12, 2014 through January 15, 2015.
2. Instructional personnel assigned to teach out-of-field from November 19, 2014 through February 13, 2015.
