LINK TO STRATEGIC FRAMEWORK: FINANCIAL EFFICIENCY/STABILITY

The Superintendent of Schools requests authorization to enter into contractual agreements with various community agencies for the Department of Food and Nutrition to provide afterschool meals/snacks to Miami-Dade County Public Schools' student participants in their programs. The contractual agreements outline the agency's responsibility for accountability to receive the meal/snack service for student participants, as required by the Department of Food and Nutrition for the District to claim federal reimbursements. The food service manager at the school where the after school program is provided maintains daily records for the meals/snacks served. The contracts cover the time period of August 24, 2015, through August 23, 2016 and provide the option to renew for two (2) additional one (1) year periods for a maximum of three (3) years in total.
