In addition to the collection and administration of student records data, this system would assist the District in its collection of Medicaid reimbursements and in providing a scheduling and tracking system for delivery of services.

The initial term of the bid shall be for one (1) year period, commencing November 18, 2015 through November 17, 2016, and may, by mutual agreement between the School Board of Miami-Dade County, Florida, and the successful bidders, be extended for three (3) additional one (1) year periods.

Strategies were employed to increase SBE/MBE participation however, during the Goal Setting Committee meeting, the recommendation for this solicitation was to be open, not sheltered, as a large number of SBE/MBE vendors were not identified within the commodity code(s).

The Selection Committee reviewed the following four (4) vendor proposals: Giganetworks, Inc.; Excent Corporation; Public Consulting Group, Inc.; and Accelify Solutions, LLC. The Selection Committee members recommended to conduct oral presentations with Public Consulting Group, Inc. and Accelify Solutions, LLC. After considerable discussion, review of scoring criteria and results of savings of \$125,000 from the best and final pricing, the Selection Committee has recommended the award to one (1) vendor, Accelify Solutions, LLC.
