OF THE SCHOOL BOARD OF MIAMI-DADE COUNTY,
FLORIDA, RECOGNIZING MOLINA HEALTHCARE**

**COMMITTEE: INNOVATION, GOVERNMENTAL RELATIONS, &
COMMUNITY ENGAGEMENT**

**LINK TO STRATEGIC
BLUEPRINT: SAFE, HEALTHY AND SUPPORTIVE LEARNING
ENVIRONMENT**

Molina Healthcare's mission is to provide quality health services to financially vulnerable families and individuals covered by government programs. Molina Healthcare has health plans, medical clinics and a health information management solution. No other organization of its kind does all three.

Molina Healthcare address the diverse cultural and linguistic needs of our membership and coordinate care for our members with complex health needs. They aim to help patients make better healthcare choices and keep their families safe. However, what, this company is being commended for is not their healthcare but their commitment to this community.

Molina Healthcare has since its founding, established a vibrant corporate social responsibility initiative to support the communities they serve. On November 24th, in partnership with City Furniture, 50 girls at Arcola Lake Elementary School in Liberty City opened the door to their new dream room - the Embrace Girls Foundation's princess-style after-school clubhouse.

Molina Healthcare has been an integral partner of our schools and community; they have sponsored pep rallies, healthcare workshops and screenings throughout Miami-Dade County Public Schools and the community at large. They truly assist the School Board in giving children the world.

The School Board commends Molina Healthcare for its leadership and service to the citizens of Miami-Dade County and the State of Florida.
