Procurement Management Services, at the request of the Office of School Facilities, released the above-referenced solicitation. The purpose of this Invitation to Bid is to establish a pool of pre-qualified vendors to furnish and install turnkey Security Camera Systems/Video Surveillance Systems in schools and office facilities throughout the District. This is a term bid which states that the Board may purchase quantities, as may be needed, but is not obligated to purchase any guaranteed amount. This Invitation to Bid was advertised on the Miami-Dade County Public Schools Procurement Management Services' website, the DemandStar website, Bid Net, Florida Bid, The Miami Times and The Diario Las Americas newspapers, as well as emailed to 110 potential bidders.

The initial term of the bid shall be for a two (2) year period, commencing April 13, 2016 through April 12, 2018, and may, by mutual agreement between The School Board of Miami-Dade County, Florida, and the successful bidders, be extended for three (3) additional one (1) year periods.

Strategies were employed to increase SBE/MBE participation, however during the Goal Setting Committee meeting, the recommendation for this solicitation was to be open, not sheltered, as a large number of SBE/MBE vendors were not identified, within the commodity code(s).

Also, this ITB has a requirement for vendors to be prequalified prior to the authorization of work pursuant to Board Policy 6334, Prequalification of Contractors for Educational Facilities Construction. Based on the criteria listed in the solicitation, seven (7) vendors are being recommended for award.
