**SUBJECT: AWARD ITB NO. ITB-15-079-CV – TELEVISION
 PRODUCTION STUDIO EQUIPMENT, SUPPLY AND
 INSTALLATION**

COMMITTEE: FACILITIES AND CONSTRUCTION

**LINK TO STRATEGIC
BLUEPRINT: EFFECTIVE AND SUSTAINABLE BUSINESS PRACTICES**

Procurement Management Services, at the request of the Office of School Facilities, released the above-referenced solicitation. The purpose of this Invitation to Bid is to establish a contract at firm unit prices, for the installation of television production studios at several schools throughout Miami-Dade County Public Schools. This is a term bid which states that the Board may purchase quantities, as may be needed, but is not obligated to purchase any guaranteed amount. This Invitation to Bid was advertised on the Miami-Dade County Public Schools Procurement Management Services' website, the DemandStar website, Bid Net, Florida Bid, *The Miami Times* and the *Diario Las Americas* newspapers, and emailed to 29 potential bidders.

The initial term of the bid shall be for a two (2) year period, commencing June 22, 2016 through June 21, 2018, and may, by mutual agreement between The School Board of Miami-Dade County, Florida, and the successful bidder, be extended for three (3) additional one (1) year periods.

Strategies were employed to increase SBE/MBE participation; however, during the Goal Setting Committee meeting, the recommendation for this solicitation was to be open, not sheltered, as a large number of SBE/MBE vendors were not identified, within the commodity code(s). This contract shall be awarded to a primary and an alternate vendor, as this is in the best interest of the District. Based on the criteria listed in the solicitation, two (2) vendors are being recommended for award. The awarded vendors are currently registered to do business with the District.

Two (2) vendors responded to this advertised bid. For the firm unit prices, two (2) vendors are recommended for award.
