COMMITTEE: FISCAL ACCOUNTABILITY

LINK TO STRATEGIC BLUEPRINT: EFFECTIVE AND SUSTAINABLE BUSINESS PRACTICES

Since its inception, Miami-Dade County Public Schools (M-DCPS) and Miami Dade College (MDC) have jointly purchased appropriate insurance coverages to adequately protect the New World School of the Arts (NWSA). MDC secures proposals for the coverage through their contracted brokers and provides the information for review by the Office of Risk and Benefits Management to ensure the coverage is appropriate and at a competitive cost for the South Florida marketplace.

Annually, the Board has authorized payment for one-half of the annual premium for such coverages pursuant to the authority provided by School Board Policy 6320(P), wherein the Board is authorized to directly negotiate and enter into contracts for insurance, risk management programs, or third party administrators, making such acquisitions through the bid process or by direct negotiation and contract.

MDC has provided staff with the renewal terms of the commercial package policy as well as the excess liability policy which is effective August 13, 2016 through August 12, 2017.
