Authorization is requested to enter into a new contractual services agreement between The School Board of Miami-Dade County, Florida, and Citizen's Crime Watch of Miami-Dade County, Inc. (CCW). CCW is a non-profit organization that has provided services for Miami-Dade County Public Schools (M-DCPS) and students for nearly 31 years. The services they provide teach students to utilize proactive measures to prevent and reduce crime in our schools and surrounding community. The program specified for the students of M-DCPS is the Youth Crime Watch (YCW), which encourages positive peer pressure among students to report crime, change attitudes, and take pride in their schools through its series of crime prevention training projects.

The Crime Watch program supports the Youth Violence Prevention Initiative, Being Drug Free, and the Safe, Healthy and Supportive Learning Environment pillar of the District's Strategic Blueprint.

CCW will implement curriculum for the YCW Program throughout M-DCPS, as well as provide crime prevention information and technical assistance for organizing Youth Crime Watch Clubs. These services are aligned with the District's character education efforts and violence prevention strategies implemented throughout schools in the District.

The agreement between the School Board and CCW includes a program cost of \$71,000, which is the same cost as previous years. The term of this contract shall be for one (1) year, commencing on September 1, 2016 and ending on August 31, 2017. Quarterly payments shall be based on the performance of specified deliverables as noted in the terms of the contract.

In accordance with School Board Policy 6320, Purchasing, the agreement with CCW is exempt from the competitive solicitation process under the educational services exception.
