Re: Interlocal Agreement with Miami-Dade County for Inspector General Services

Dear Chairman Barreiro:

I would like to thank you again for the opportunity to meet with you to discuss the Interlocal Agreement with Miami Dade County for Inspector General services for our school district.

As you may be aware, the school district has for some time now been attempting to perfect its model for an Internal Inspector General's Office. In attempting to reach this goal, the Board decided that a practical solution would be to use the services of an established Inspector General's Office, such as Miami-Dade County's. As a result of numerous deliberations by the Board, an Interlocal Agreement was drafted and negotiated with the County's Inspector General's office, and approved by the County's Attorney's Office.

I'm pleased to inform you that, at its regular meeting on October 17, 2007, the School Board approved the proposed Interlocal Agreement. I'm enclosing a copy of the executed Interlocal Agreement with the request that you present this for the Commission's consideration and approval. I know this undertaking will be a success and a benefit to both the School Board and the County, and I thank you and the Commission in advance, for its assistance in this unique cooperative endeavor.

Very truly yours,

Agustín J. Barrera, Chair
School Board of Miami-Dade County

The Miami-Dade County Inspector General shall act as head of the School Board's Office of Inspector General (hereinafter "SB OIG") and serve as the Inspector General for the School Board during the term of this ILA. The organization and administration of the SB OIG shall be sufficiently independent to assure that no interference or influence external to the SB OIG adversely affects the independence and objectivity of the Inspector General. The term "Inspector General" when standing alone hereinafter shall refer to the Inspector General for the School Board whose role is being fulfilled by the County's Inspector General pursuant to the terms of this ILA.
- b. The SB OIG shall have the authority to make investigations of School Board affairs and the power to review past, present and proposed School Board programs, accounts, records, contracts and transactions.

- d. The OIG shall have the power to report and/or recommend to the School Board and/or the Superintendent whether a particular project, program, contract, or transaction is or was necessary and, if deemed necessary, whether the method used for implementing the project or program is or was efficient both financially and operationally. Any review of a proposed project or program shall be performed in such a manner as to assist the School Board or Superintendent in determining whether the project or program is the most feasible solution to a particular need or problem. Monitoring of an existing project or program may include reporting whether the project is on time, within budget, and in conformity with plans, specifications and applicable law.
- e. The OIG shall have the power to analyze the need for, and the reasonableness of, proposed change orders. The Inspector General shall also be authorized to conduct any reviews, audits, inspections, investigations or analyses relating to departments, offices, committees, activities, programs and agencies of the School Board.
- f. The Inspector General may, on a random basis, perform audits, inspections and reviews of all School Board contracts. All prospective bidders, proposers, vendors and contractors doing business with the School Board will be informed of the authority of the SB OIG to conduct such random audits, inspections, and reviews and language to this effect, including but not limited to the authority of the SB OIG to access contractor records and the obligation of the contractor to make those records available upon request, shall be incorporated into every bid, proposal, contract and purchase order issued by the School Board after the effective date of this ILA.
- g. The Inspector General shall have the power to audit, investigate, monitor, oversee, inspect, and review the operations, activities and performance and procurement process including, but not limited to, project design, establishment of bid specifications, bid submittals, activities of the contractor, its officers, agents and employees, lobbyists, School Board staff, and elected officials, in order to ensure compliance with contract specifications and detect corruption and fraud.
- h. Pursuant to § 112.3187(6), Fla. Stat., the OIG shall be the designee of the District's chief executive officer for purposes of receiving Whistle-blower's Act disclosures under § 112.3187(7) and investigating in accordance with §§ 112.3187-31895, Fla. Stat.

- k. The Inspector General shall be notified in writing prior to any meeting of a selection or negotiation committee where any matter relating to the procurement of goods or services by the School Board is to be discussed. The notice required by this section shall be given to the Inspector General as soon as possible after a meeting has been scheduled, but in no event later than twenty-four hours prior to the scheduled meeting; said notice may be provided via electronic mail. The Inspector General may, at his or her discretion, attend all duly noticed School District meetings relating to the procurement of goods or services as provided herein, and may pose questions and raise concerns consistent with the functions, authority and powers of the Inspector General. An audio tape recorder shall be utilized to record all selection and negotiation committee meetings.
- l. Under § 1002.22(3), Fla. Stat., student records are highly confidential and may be disclosed only as allowed by § 1002.22(3)(d), Fla. Stat., and State Board of Education Rule 6A-1.0955, F.A.C. The Inspector General will observe these restrictions when preparing reports, as well as observing all other applicable confidentiality requirements under state and federal law.

The School Board, Superintendent, Chief Auditor, Office of Civil Rights Compliance, Civilian Investigative Unit, Office of Professional Standards and Miami-Dade Schools Police will cooperate with the Inspector General and SB OIG to achieve the goals of preventing and detecting fraud, waste, financial mismanagement, or other abuses, and promoting accountability, integrity, economy, and efficiency in government. Although the SB OIG does not, whenever possible, intend to duplicate the work of the aforementioned entities, its audits, investigations, inspections and reviews may from time to time address the same or similar issues or activities being reviewed by the aforementioned entities. In such cases, and in every case, SB OIG audits, investigations, inspections and reviews will be conducted separately and independently from the aforementioned activities, and upon conclusion, the SB OIG, where appropriate, shall refer the disposition or finalization of an audit, investigation, inspection or review to the appropriate school board entity for any additional action. The Inspector General, District Superintendent and directors of the aforementioned departments may, through subsequent mutual written agreement(s), agree upon operating procedures to ensure that the aforementioned goals are achieved.
- b. The Inspector General shall not interfere with any ongoing criminal investigation of the State Attorney or the U.S. Attorney for the Southern District of Florida where the State Attorney or the U.S. Attorney for the Southern District of Florida

has explicitly notified the Inspector General in writing that the Inspector General's investigation is interfering, or would interfere, with an ongoing criminal investigation.

- c. Where the Inspector General detects corruption or fraud, he shall notify the appropriate law enforcement agency(ies). Subsequent to notifying the appropriate law enforcement agency, the Inspector General may assist the law enforcement agency in concluding the investigation.
- d. OIG personnel will make every reasonable effort to minimize any disruption or interference with work activities being performed in the school system. Except where investigative requirements dictate otherwise, advance notice should be given of a need for the IG or other OIG staff to access areas not routinely accessed by the Board, employees, contractors, or subcontractors of a school. Visits to school sites should be coordinated with the principal and School Police; and any access to students (e.g. interviews or requests for statements) must be consistent with the District's procedures for investigations and the rights of parents and guardians. OIG personnel, who in the course of their employment will have direct contact with students or access to school grounds while students are present, must comply with the requirements of the Jessica Lunsford Act, § 1012.465, Fla. Stat. (2007), and any amendments thereto.

Section 5. Physical Facilities and Staff of the SB OIG:

- a. The School Board and District shall provide the SB OIG with appropriately located office space and sufficient physical equipment facilities together with necessary office supplies, equipment, and furnishings to enable the SB OIG to perform its functions.
- b. The Inspector General may make available staff members of the County's OIG to provide administrative, legal, investigative, audit and inspectional services. The provision of these services will be reimbursed by the School Board pursuant to Section 7 of this agreement. County personnel providing services pursuant to this agreement, including the Inspector General, shall remain at all times employees of the County.
- c. The District Superintendent will make available personnel, resources and accommodations to the Inspector General in order to staff the SB OIG. Funding for personnel, resources and accommodations provided by this District shall be included in the annual allocation by the School Board for the SB OIG as provided in Section 7 of this agreement. The identification, duration, and terms of detachment of District personnel pursuant to this section will be made by subsequent mutual written agreement(s) between the Inspector General and the Superintendent, which will be in conformance with the requirements of § 112.24,

Fla. Stat. During the term of this ILA, the School Board hereby delegates to the Superintendent the authority to enter into said personnel detachment agreements. These individuals shall report directly to the Inspector General or his designee during the period of the detachment. District personnel detached to the SB OIG shall remain at all times employees of the School District and such detachment will in no way adversely affect the individual's employment rights and privileges, nor shall an employee's return to his or her previous position be adversely affected after a period of detachment to the SB OIG. At the conclusion of their detachment, placement and assignment of school district employees will be governed under the terms of their respective collective bargaining agreements.

- d. The Inspector General shall, subject to the budgetary allocation by the School Board, have the authority to retain and coordinate the services of Independent Private Sector Inspectors General (IPSIG) or other professional services, as required, when in the Inspector General's discretion he or she concludes that such services are need to perform the duties and functions enumerated in this ILA.
- e. The Inspector General shall have the power to establish personnel and operating procedures as deemed necessary for the efficient and effective administration and performance of this ILA.

Section 6. Reports and Recommendations by the OIG:

- a. Notwithstanding any other provision of this ILA, whenever the Inspector General drafts a report or recommendation which contains findings as to the person or entity being reported on or who is the subject of the recommendation, the Inspector General shall provide the affected person or entity a copy of the report or recommendation and such person shall have 10 working days to submit a written explanation or rebuttal of the findings before the report or recommendation is finalized, and such timely submitted written explanation or rebuttal shall be attached to the finalized report or recommendation. The requirements of this section shall not apply when the Inspector General, in conjunction with the State Attorney, or other prosecuting authority, determines that supplying the affected person or entity with such report will jeopardize a pending criminal investigation.
- b. The Inspector General shall annually prepare and submit to the School Board a written report concerning the work and activities of the SB OIG as it relates to the duties outlined in this ILA including, but not limited to, statistical information regarding the disposition of closed investigations, audits, and other reviews.

Section 7. Budgetary Allocation by the School Board. It is agreed by the Parties that the operations and services to be provided by the SB OIG to the School Board shall be adequately funded at no cost to the County.

- a. **Initial Allocation.** The School Board agrees that it will allocate \$75,000 (allocated from a fund that has been budgeted for purposes reasonably related to OIG services) as an initial amount of funds to the SB OIG, and place such funds in an account to be drawn by the SB OIG as needed, until an annual budget is agreed upon by the School Board and the Inspector General. The SB OIG will provide the School Board with an invoice, accounting or other report of any monies drawn from the initial \$75,000 allocation.
- b. **SB OIG Budget.** The Inspector General will, within 90 days after the ILA becomes effective, present to the School Board, through a recommendation from the Superintendent, a proposed annual budget for the SB OIG and a method for its implementation. This proposed budget shall be inclusive of the resources to be provided by the County OIG through its professional staff and any operating expenditures made directly by the County OIG in the furtherance of or pursuant to this ILA. Additionally, the annual budget shall contain funds to accommodate the resources to be provided for the operation of the SB OIG as identified in Section 5(a) and 5(c) herein, and sufficient funds for the general operation of the SB OIG. Once the SB OIG and the School Board are in agreement, the School Board shall adequately fund the costs of the services and operations for not less than the first year of this ILA. Thereafter, annual budgets shall be proposed in accordance with the guidelines set forth in this Section.
- c. **Compensation for County OIG services.** Compensation for direct County OIG services shall be paid by the School Board within 30 days upon presentation of an invoice from the County OIG, which shall be submitted quarterly. Copies of receipts or other appropriate supporting documentation will be presented with the invoice seeking payment. Compensation for professional services rendered by County OIG personnel shall include the individual's direct hourly salary, County payroll fringe and other benefits, and applicable County OIG office overhead.
- d. Should the parties hereto be unable to agree upon a budget in the manner prescribed in this section, this ILA shall be void ab initio, and any unexpended and unencumbered funds included in the initial funding allocation provided by the School Board, shall be returned to the School Board.

Section 8. Termination of ILA. This ILA may be terminated for any reason, including convenience, by either party by thirty (30) days' written notice to the other party.

Section 9. Term and Effective Date of ILA. This ILA shall take effect upon final execution of the ILA by both the School Board and the County, for a term of three (3) years from the date it takes effect. This three (3) year term may be renewed for an

additional term, the length of which must be determined and agreed upon by both parties to the ILA.

Section 10. Indemnification and Legal Representation of the County, OIG and OIG Staff:

The School Board agrees to indemnify and hold harmless the County and its officers, employees, agents and instrumentalities including, but not limited to, the Inspector General, any member of the County OIG, and any District personnel detached or assigned to the SB OIG for any civil actions, complaints, claims, or lawsuits that may be served on them resulting from the performance of this ILA, subject to the provisions of § 768.28, Fla. Stat. The School Board agrees to pay the legal fees and expenses resulting from the defense of such actions in accordance with § 1012.26, Fla. Stat. Notwithstanding any provisions of State law or School Board Rules, the School Board agrees that the County and its officers, employees, agents and instrumentalities including, but not limited to, Inspector General, any members of the County OIG and any District personnel detached or assigned to the SB OIG, at their sole discretion, may use or retain the services of in-house, County, outside and/or private legal counsel of their choice, in the defense of such actions, and that such services shall be paid for by the School Board, to the extent consistent with § 768.28, Fla.
