LINK TO STRATEGIC BLUEPRINT: EFFECTIVE AND SUSTAINABLE BUSINESS PRACTICES

In February 2016, Request for Qualifications (RFQ) 132 was published for Architect/Engineer of Record (A/E) firms for a School Replacement at Design and Architecture Senior High School (DASH), located at 4001 N.E. 2 Avenue, Miami, Florida 33137, Project Number 01612200. Ten firms submitted RFQ responses on March 3, 2016. On March 8, 2016, RFQ 132 was put on Hold (and no evaluations of the Responses received were conducted) in anticipation of the results of the Board's second Invitation to Bid (ITB) for the sale or ground lease of a portion of the DASH property, published on June 22, 2016. This School Replacement project was to be funded by the sale of the DASH property. Since no bids were received for the ITB staff recommends cancellation of RFQ 132, and rejection of all RFQ Responses.

RECOMMENDED: That The School Board of Miami-Dade County, Florida, authorize the cancellation of Request for Qualifications (RFQ) 132 and reject all RFQ Responses received from Architect/Engineers for a School Replacement project at Design and Architecture Senior High School, located at 4001 N.E. 2 Avenue, Miami, Florida 33137, Project Number 01612200.
