BLUEPRINT: SAFE, HEALTHY & SUPPORTIVE LEARNING ENVIRONMENT

At its regular meeting of January 25, 2017, the Board approved Agenda Item G-4 (New and Amended School Operations Policies) authorizing the Superintendent to initiate rulemaking to promulgate new Policy 6605, *Crowdfunding*, and to amend Board Policies 9700, *Relations with Special Interest Groups*; 5830, *Student Fundraising*; 2430.01, *School Volunteers*; 2431, *Interscholastic Athletics*; 7540.03, *Student Responsible Use of Technology, Social Media, and District Network Systems*; 8810, *The American Flag*; and 5771, *Search and Seizure*. The proposed new policy, as well as many of the proposed amendments to existing policies, have been recommended by NEOLA, Inc., the Board's policy consultant, and all have been drafted and reviewed by the District departments that will implement them.

New Policy 6605, *Crowdfunding*, is being proposed to address "crowdfunding," which is defined as a campaign to collect typically small amounts of money from a large number of individuals to finance a project or fundraise for a specific cause. Due to the prevalence of large-scale fundraising efforts Districtwide, the adoption of this policy is proposed to provide guidance regarding authorized crowdfunding by both students and staff. Under this new policy, crowdfunding activities for the purpose of raising funds for a specific classroom or school activity must be approved by the school principal and Region administrator, while those for specific causes require the approval of the Superintendent. Policy 9700, *Relations with Special Interest Groups*, is proposed to be amended to conform and refer to Policy 6605.

Policy 5830, *Student Fundraising*, is proposed to be amended to require that items sold comply with the current USDA Nutrition Standards in the National School Lunch and School Breakfast Programs, as well as the USDA Smart Snack in Schools regulations.

Amendments to Policy 2430.01, *School Volunteers*, are proposed to clarify the policy's purpose and emphasize the requirement that certain volunteers submit to fingerprinting and Level 2 background checks. This policy is also recommended to be amended to require that volunteers

be provided with informative materials. The proposed amendments clarify the Superintendent's right and responsibility to recruit and appoint community volunteers and make appropriate placements, as well as the school principals' and work site supervisors' right to establish additional procedures regarding volunteer involvement and service at their sites.

Policy 2431, *Interscholastic Athletics*, is being recommended for revisions to reflect new statutory requirements related to the right of a senior high school student to participate in interscholastic athletics immediately upon transfer from one school to another and to clarify other requirements for participation in interscholastic athletics and extra-curricular activities.

Policy 7540.03, *Student Responsible Use of Technology, Social Media, and District Network Systems*, is proposed to be amended to reflect a District requirement that students comply with posted Network Security Standards.

Proposed amendments to Policy 8810, *The American Flag*, incorporate the latest statutory language related to a student's right not to participate in the Pledge of Allegiance and specifications for the display of the American flag in classrooms.

Finally, Policy 5771, *Search and Seizure*, which sets forth administrative search parameters, is proposed to be amended to require that District staff preserve confiscated evidence.

The Notice of Intended Action was published in the *Miami Daily Business Review* on January 30, 2017, and posted in various places for public information and mailed to various organizations representing persons affected by the new and amended policies and to individuals requesting notification. The time to request a hearing or protest the adoption of these amendments has elapsed.

In accordance with the Administrative Procedure Act, these new and amended policies are presented to The School Board of Miami-Dade County, Florida, for adoption and authorization to file in the official records of The School Board of Miami-Dade County, Florida.

Attached are the Notice of Intended Action and the proposed new policy and policy amendments. Changes are indicated by underscoring words to be added and ~~striking through~~ words to be deleted.

RECOMMENDED:

That The School Board of Miami-Dade County, Florida, adopt new Policy 6605, *Crowdfunding*, and the amendments to Board Policies 9700, *Relations with Special Interest Groups*; 5830, *Student Fundraising*; 2430.01, *School Volunteers*; 2431, *Interscholastic Athletics*; 7540.03, *Student Responsible Use of Technology, Social Media, and District Network Systems*; 8810, *The American Flag*; and 5771, *Search and Seizure*, and authorize the Superintendent to file the new and amended policies with the School Board of Miami-Dade County, Florida, to be effective March 15, 2017.

SEARCH AND SEIZURE

2 No student may be searched without reasonable suspicion or in an unreasonable
3 manner. Reasonable suspicion generally exists when there are reasonable grounds
4 for suspecting that the search will turn up evidence that the student has violated or
5 is violating either the law, School Board policy, or the rules of the school. The scope
6 of the search must be reasonably related to the suspected violation(s).

7 School authorities may search the person or property, including vehicles, of a
8 student, with or without the student's consent, whenever they reasonably suspect
9 that the search will turn up evidence of a violation of law, Board policy, or rules of
10 the school. This authority applies to all situations in which the student is under the
11 jurisdiction of the Board. School authorities may also inspect for the presence of
12 drugs or devices according to applicable law and Board policy. Any evidence
13 confiscated during a search by school staff or administration, including digital
14 evidence in the form of images, audio or video, shall be preserved and unaltered
15 pending resolution of the investigation into the suspected violation(s).

16 The school shall provide storage places, including desks and/or lockers to store
17 student possessions. These spaces and the contents within them remain under the
18 control of the Board and may be the subject of random search. Where allowed,
19 students may lock storage places but students shall have no expectation of privacy
20 that would prevent inspection by school officials.

21 To deter individuals from bringing weapons to school, curtail the threat of violence,
22 and foster a safe learning environment for students, staff, and visitors, metal
23 detector searches are authorized without individualized suspicion pursuant to
24 procedures established by the Superintendent.
