BLUEPRINT: EFFECTIVE AND SUSTAINABLE BUSINESS PRACTICES**

Procurement Management Services, at the request of District Inspections, released the above-referenced solicitation. The purpose of this Invitation to Bid (ITB) is to establish a list of preapproved vendors to furnish labor, supervision, equipment and materials necessary to perform pest control extermination and removal service. This is a term bid which states that the Board may purchase quantities as needed, but is not obligated to purchase any guaranteed amount. This Invitation to Bid was advertised on the Procurement Management Services website, the Demandstar website, BidNet, Florida Bid, *The Miami Times* and the *Diario Las Americas* newspapers as well as emailed to 25 potential bidders, which included one (1) Small/Micro Business Enterprise (SBE/MBE) vendor registered to this commodity code.

The initial term of the bid shall be for two (2) years, commencing April 5, 2017 through April 4, 2019, and may, by mutual agreement between The School Board of Miami-Dade County, Florida, and the successful bidders, be extended for three (3) additional one (1) year periods.

Strategies were employed to increase SBE/MBE participation. The Goal Setting Committee recommended that this solicitation be open with a 5% SBE/MBE, and a 10% preference for local vendors.

Seven (7) vendors responded to this advertised bid. Based on the criteria listed in the solicitation, the contract shall be awarded to five (5) vendors of which two (2) are certified as a Minority/Women Business Enterprise (M/WBE) and/or a MBE, which represents 40% SBE/MBE participation and 60% preference for local vendors.
