ENVIRONMENT**

The U. S. Department of Transportation, National Highway Traffic Safety Administration (U.S. DOT), is mobilizing the national 2017 "Click It or Ticket" safety campaign, May 15 through June 7, 2017. The U.S. DOT is seeking support from its partners to help alert the public to prepare for high-visibility safety belt enforcement during the campaign. During this event, law enforcement agencies "buckle down" on enforcement in an effort to increase awareness and save lives. The use of seat belts is mandated by Florida Law.

The National Highway Traffic Safety Administration has reported that seat belt use in 2016 reached 90.1 percent, up from 88.5 percent in 2015. This is statistically a significant increase. Seat belt use has shown an increasing trend since 2000, accompanied by a steady decline in the percentage of unrestrained passenger vehicle occupant fatalities. These facts gravely highlight the continued need of enforcement and awareness of seat belt use.

To advance this important safety initiative at Miami-Dade County Public Schools, it is recommended that the School Board endorse the "Click It or Ticket" Campaign, and encourage a year-round habit for students, parents and District employees to always buckle up when driving or riding as a passenger in a vehicle.
