LINK TO STRATEGIC BLUEPRINT: HIGHLY EFFECTIVE TEACHERS, LEADERS, AND STAFF

Cisely Scott was born in Miami, Florida and educated in Miami-Dade County Public Schools.

After graduating from American Senior High School, she attended Florida International University, where she earned her Bachelor of Science degree in Elementary Education. She began teaching at Kensington Park Elementary School, where she quickly decided that she would pursue a career in education administration.

After teaching for several years, she earned her Master of Science degree in Educational Leadership, from Nova Southeastern University. Her principal noticed her leadership capabilities and promoted her to math/science coach. Under her leadership, Parkway Elementary school's math/science scores increased according to the FCAT administration. Parkway changed from being a "D" school to an "A" school. After having such great success, in improving other fragile schools, Ms. Scott was promoted as the sole Math Curriculum Specialist for the Education Transformation Office. Ms. Scott led the math program for the 9 schools that she supported. Ms. Scott also guided the work of the math coaches by training them, leading professional learning communities and intimately supporting each school.

For the 2012-2013 school year, she was promoted to assistant principal of Lenora B. Smith Elementary School; the only named "F" elementary school in Miami-Dade County Public Schools. Through Ms. Scott's continual hard work as an assistant principal, Lenora B. Smith Elementary School became a "C" and continues to shine in the community. Ms. Scott's hard work and dedication was recently recognized as she was named the 2016-2017 Assistant Principal of the Year for Miami-Dade County Public Schools. For her hard work, dedication, and perseverance, Ms. Scott was awarded the highest honor given to assistant principals.
