The public accounting firm of RSM US LLP has been engaged by the School Board of Miami-Dade County to perform the required external independent auditing services.

In connection with this engagement, RSM US LLP submits every year an Audit Plan which outlines the audit planning process. In addition, the Audit Plan is used to convey to the School Board, the Audit and Budget Advisory Committee, the Superintendent and the administration the aspects of the external auditor's preliminary approach and scope of services to be provided while conducting the audit of the School Board's financial statements.

The School Board Audit and Budget Advisory Committee reviewed this report at its July 18, 2017, meeting and recommended transmitting it to the School Board.

Copies of this report were distributed and placed on file in the Office of the Recording Secretary to the School Board and in the Citizen Information Center. Additional copies will be provided upon request.

**RECOMMENDED:** That the School Board of Miami-Dade County, Florida, receive and file The School Board of Miami-Dade County, Florida Audit Plan and AU 260 Communication for the fiscal year ending June 30, 2017.
