Pursuant to the terms of the Educational Facilities Impact Fee Ordinance ("Ordinance"), and Section 33K-8(a) of the Miami-Dade County ("County") Code of Ordinances, an applicant shall be exempt from the terms of the Ordinance if the proposed development activity is not capable of creating a demand for capital educational facilities during its useful lifetime, as a matter of law and fact. The Ordinance requires that the County seek a recommendation from the School Board as it relates to the exemption.

The County's Office of Regulatory and Economic Resources ("RER") has submitted the following:

F-1

- 1) A request from Martin Fine Villas, LLC, a Florida Limited Liability Company ("Fine Villas Applicant"), in connection with a housing project for the elderly known as Martin Fine Villas ("Fine Villas Project") consisting of 104 housing units, located at 780 N.W. 13 Court, Miami, Florida 33125. The Fine Villas Applicant has made a request to the County for exemption from Educational Facilities Impact Fees ("Impact Fees"), and proffered a Covenant Related to Elderly Housing ("Covenant"), which covenants that the Fine Villas Project is to be used exclusively for elderly housing. The estimated impact fee exemption value is \$129,678.60; and
- 2) A request from Talcoy Tuscany Cove I, LLLP, a Florida Limited Liability Limited Partnership ("Tuscany Cove Applicant"), in connection with a housing project for the elderly known as Tuscany Cove I ("Tuscany Cove Project") consisting of 160 housing units, located at 5900 N.W. 7 Avenue, Miami, Florida 33127. The Tuscany Cove Applicant has made a request to the County for exemption from Impact Fees and proffered a Covenant, which covenants that the Tuscany Cove Project is to be used exclusively for elderly housing. The estimated impact fee exemption value is \$203,292.60

Based on the criteria stipulated in the Ordinance, RER advised it agrees that both the Fine Villas Project and the Tuscany Cove Project should be recommended for exemption from Impact Fees.

In each instance, the proposed Covenant will stipulate the following:

- a) The Project is solely intended to be operated and maintained to meet the social and physical needs of persons fifty-five (55) years of age and older;
- b) No dwelling unit within the Project shall be occupied by any person under the age of eighteen (18);
- c) The restrictions set forth in the Covenant shall not be subject to revocation or amendment for a period of thirty (30) years, after which it shall be extended automatically for successive periods of ten (10) years each;
- d) In the event the Applicant seeks to terminate the Covenant, the Applicant shall tender the full amount of the applicable Educational Facilities Impact Fees in effect at the time of the requested release, and the Covenant may only be released with the prior written consent of the County and the School Board;
- e) The County's Department of Regulatory and Economic Resources shall have the right, at any time, of entering and investigating the use of the premises, to determine whether or not the requirements of the Ordinance and the conditions of the Covenant are being complied with; and

- f) Failure of the property owner to enforce any of the requirements of the Covenant shall result in Educational Facilities Impact Fees becoming due and payable for all dwelling units within the Project.

The terms and conditions of each proposed Covenant have been reviewed by the School Board Attorney's Office for compliance with the Ordinance.
