This item is submitted for consideration by the Board to amend School Board Policy 5410, *Student Progression Plan 2016-2017*. Changes in the document reflect actions by the 2017 Florida Legislature and the School Board. Additional changes have been made to incorporate current District procedures and enter new language, as appropriate.

Any changes that would have an impact on the *Student Progression Plan 2017-2018* based upon future interpretations or clarification of legislation by the Florida Department of Education will be communicated to appropriate staff by means of memoranda. Changes to the 2016-2017 edition of the *Student Progression Plan* are summarized on pages 2, 3, and 4 of the document.

Highlights of amendments to the *Student Progression Plan 2017-2018* include:

- The 2017 Florida legislative session changes regarding student progression and graduation requirements from House Bill 7069 as follows:
 - Establish an Intensive Reading Acceleration Course at each school, when applicable, for any student retained in grade 3 who was previously retained in kindergarten, grade 1, or grade 2. The intensive acceleration course must provide the following: a) uninterrupted reading instruction for the majority of student contact time each day and opportunities to master the grade 4 standards in other core subject areas through content-rich texts; b) small group instruction; c) reduced teacher-student ratios; d) use explicit, systematic, and multisensory reading interventions, including intensive

language, phonics, and vocabulary instruction, and use of a speech-language therapist if necessary, that have proven results in accelerating student reading achievement within the same school year; e) read-at-home plan.

- Provide a Read-at-Home Plan with multisensory strategies that a parent can use in helping his or her child who exhibits a substantial deficiency in reading to succeed in reading.
- Eliminate the Algebra II end-of-course (EOC) assessment requirement.
- Delete the requirement for students who participate in two full seasons of an interscholastic sport to pass a competency test on personal fitness to satisfy the physical education credit required for graduation with a standard high school diploma.
- Designate the month of September as "American Founders' Month".
- Include civic literacy as one of the priorities of Florida's K-20 education system, and the requirement of postsecondary students to demonstrate civic literacy competence.
- Satisfy the online course requirement through the completion of a blended learning course.
- Eliminate the required career and planning course for middle grades promotion.

Attached is the Notice of Intended Action.
