

Office of Superintendent of Schools  
Board Meeting of December 6, 2017

November 20, 2017

Ms. Marie Izquierdo, Chief Academic Officer  
Office of Academics and Transformation

**SUBJECT:                   REQUEST THAT THE SCHOOL BOARD OF MIAMI-DADE COUNTY, FLORIDA, APPROVE THE 2017-2018 SCHOOL IMPROVEMENT PLANS (SIPs)**

**COMMITTEE:           ACADEMICS, EVALUATION, AND TECHNOLOGY**

**LINK TO STRATEGIC BLUEPRINT:           RELEVANT, RIGOROUS, AND INNOVATIVE ACADEMICS**

Miami-Dade County Public Schools (M-DCPS) requires that schools develop and implement a School Improvement Plan (SIP) which includes specific strategies to improve student performance and address educational priorities.

In 2017-2018, 414 M-DCPS (including 69 identified Charter Schools) completed a SIP using the State of Florida's Bureau of School Improvement's online SIP template. The 2017-2018 SIPs were developed through a peer review process which included approval by the school-site Educational Excellence School Advisory Council (EESAC), and review and approval by District and Region staff. The Charter School Compliance and Support Office reviewed and provided feedback to the 69 identified charter schools required to submit a SIP.

A copy of the School Improvement Plan for each school is available on the web at:  
[http://osi.dadeschools.net/17-18\\_SIP/](http://osi.dadeschools.net/17-18_SIP/).

**RECOMMENDED:** That The School Board of Miami-Dade County, Florida, approve the 2017-2018 School Improvement Plans.
