The organization supports the efforts of agencies working together in cooperative effort to enhance public safety in Miami-Dade County.

It is important that all citizens know and understand the problems, duties and responsibilities of their police department, and that members of the police department recognize that their duty is to serve the people by safeguarding life and property, protecting against violence and disorder, and protecting the innocent against deception and the weak against oppression or intimidation.

Nationally May 13 through May 19th is recognized as National Police Week and the School Board recognizes the great work of the Miami Dade-County Association of Chiefs of Police.
