SUBJECT: ADOPTION OF POLICIES AND PROCEDURES FOR USE OF DISTRICT DISCRETIONARY LOTTERY FUNDS

LINK TO STRATEGIC BLUEPRINT: EFFECTIVE AND SUSTAINABLE BUSINESS PRACTICES

The 2019 Legislature has appropriated lottery funds to school districts and requires each school board to adopt policies and procedures for the use of these funds to enhance education.

Definition of Educational Enhancement

The term "educational enhancement" is defined, for the purpose of appropriating District Discretionary Lottery Funds allocated by the Legislature, as programs/activities that contribute to student learning and achievement that exceed the required basic instructional programs.

Policies and Procedures - Use of District Discretionary Lottery Funds

Each year as part of the budget process, the Superintendent shall recommend projects/programs to be funded partially or totally from District Discretionary Lottery Funds appropriated by the Legislature in order to best serve the educational needs of the students of Miami-Dade County.

Such funds may be used to pilot or implement new programs or to continue existing, proven programs which could not otherwise be funded from other state or local revenues.

The FY 2019-20 Discretionary Lottery allocation to M-DCPS is \$1,209,168. The 2019 Legislature appropriated lottery funds to provide Bright Futures Scholarships as well as cash and debt service requirements of the Classroom First and 1997 School Capital Outlay Bond Programs. In addition, lottery proceeds partially fund the Florida Educational Finance Program, Class Size Reduction and School Recognition programs.

Any changes to the list of projects/programs funded from District Discretionary Lottery Funds will be submitted to the Board for approval.

SP-3

We are recommending that the funding from FY 2019-20 District Discretionary Lottery Funds be allocated as follows:

	<u>AMOUNT</u>
Educational Excellence Council (\$5/FTEu)*	\$ 1,209,168

*Educational Excellence School Advisory Councils (EESAC) allocation of \$5/FTE exceeds the Discretionary Lottery allocation. This represents the state appropriation only which includes the portion pertaining to charter schools.

NOTE: This item is one of three items which are part of the 6:00 p.m. public hearing, which should be discussed only at that time and should be approved last.

RECOMMENDED: That The School Board of Miami-Dade County, Florida, approve the above policies and procedures and approve the use of District Discretionary Lottery Funds appropriated by the Legislature to fund the Educational Excellence School Advisory Council.
