(Florida Statutes § 1003.4282)

- Modifies the 24-credit pathway for earning a standard high school diploma by revising computer science credit substitution for mathematics or science credits; and eliminates the financial literacy credit requirement, as part of economics under the specified social studies credits. (Florida Statutes § 1003.4282)
- Revises the requirements for a student to earn a “Scholar” designation by permitting the one credit in Algebra II to be substituted with one credit in another equally rigorous course. (Florida Statutes § 1003.4285)
- Restores middle grades career education and planning course requiring middle school students to take a career and education planning course for promotion to high school. (Florida Statutes § 1003.4156)
