Authorization is requested for the Superintendent to enter into contractual agreements with six community agencies to provide extensive educational and/or therapeutic services to a unique population of children with disabilities which includes cocaine-exposed, Down Syndrome, cerebral palsy, spina bifida, intellectual disabilities, autism spectrum disorder as well as visual and hearing impairments.

Each agency will be responsible for the day-to-day operation of the programs, facilities, staff assistance with the identification and placement of children, staff development training, and administrative support. An exception to School Board Policy 6320 regarding bids or Request for Proposals should be granted as these six community agencies are providing educational and related services to support students with significant disabilities.
