BLUEPRINT: INFORMED, ENGAGED & EMPOWERED STAKEHOLDERS**

Consistent with the Board's statutory responsibility to periodically review and update its policies to conform to legislative changes and District practices, authorization is requested for the Superintendent to initiate rulemaking to amend several Board policies related to harassment and discrimination based on protected categories. These amendments were developed after extensive review of regulations that are scheduled to take effect on August 14, 2020 to implement Title IX of the Education Amendments of 1972. The policy amendments were drafted in collaboration with, and reviewed by the Superintendent, Cabinet, and District staff of departments that will implement them.

On May 6, 2020, the United States Department of Education ("Department") issued new Title IX regulations defining sexual harassment, which is a form of sex discrimination, and prescribing requirements for responding to allegations of sexual harassment. The regulations require the Board to implement procedures that will apply to all aspects of the Board's prohibition against sexual harassment, including receiving reports of sexual harassment; processing formal complaints; conducting investigations; decision-making; and providing appeals. Currently the Board's policies apply broadly to discrimination and harassment based on all protected categories, including sex, race, color, ethnic or national origin, citizenship status, religion, marital status, disability, genetic information, age, political beliefs, sexual orientation, gender, gender identification, social and family background, linguistic preference, and pregnancy. The Department's Title IX regulations on sexual harassment require several Board policies to be amended to carve out procedures specifically for complaints of sexual harassment.

Policies 1362, 3362, 4362, 1362.02, 3362.02 and 4362.02 apply to the prohibition on discrimination and harassment by and against employees and the procedures for resolving complaints of discrimination and harassment based on protected categories.

The proposed amendments to each of these policies reference the distinctive process required when allegations of sexual harassment by or against employees are made. The amendments provide notice of how members of the District community can contact their supervisor and/or District's Civil Rights Compliance ("CRC") Department to make a complaint of sexual harassment. As referenced throughout the policies, the amendments authorize the District's Title IX Coordinator to coordinate the Board's Title IX obligations. As such, the CRC is developing a *Title IX Sexual Harassment Manual* that specifies the steps to be taken by the CRC to investigate and/or to delegate certain aspects of the investigation in response to formal complaints of sexual harassment; the role of decision-makers; and how to process an appeal by either party to a formal grievance process. The proposed revisions include renaming Policies 1362, 3362, and 4362, *Prohibition on Discrimination and Harassment Against District Community (Non-Students)*, and Policies 1362.02, 3362.02, and 4362.02, *Discrimination and Harassment Complaint Procedures*.

Attached are the Notice of Intended Action and policy amendments. Changes are indicated by underscoring words to be added and ~~striking through~~ words to be deleted.

Authorization of the Board is requested for the Superintendent to initiate rulemaking proceedings in accordance with the Administrative Procedure Act to amend Board Policies 1362, 3362, 4362, *Anti-Discrimination/Harassment*, and 1362.02, 3362.02, 4362.02, *Anti-Discrimination/Harassment Complaint Procedure*.

The School Board has established procedures to fulfill the letter and intent of anti-discrimination laws. The ~~Office of Civil Rights Compliance (CRC)~~ is responsible for investigating complaints and/or charges of discrimination and ~~illegal~~ harassment, ~~including sexual harassment and retaliation filed by employees, students and their parents, or applicants~~ based on the protected categories set forth in Policy 4362. The CRC office accepts complaints of prohibited discrimination ~~and~~ harassment directly from any member of the District community. Upon receipt of a written complaint, the Compliance Officer will designate a specific individual within the CRC office to conduct an investigation. The Superintendent shall develop guidelines setting forth the conditions and requirements to implement this policy in accordance with federal and state laws, regulations, and Board policies. The District's Title IX Coordinator is authorized to coordinate the Board's Title IX obligations, including specific procedures related to sexual harassment.

All members of the District community must report incidents of prohibited discrimination ~~/ and~~ harassment to the administrator ~~which they, in good faith, believe they have been subjected or which are reported~~ or designee, to whom the employee is responsible and/or the CRC without delay.

Investigation and Complaint Procedures

Any member of the District community or third party who has ~~a good faith belief that s/he has~~ been subjected to prohibited discrimination ~~/ or~~ harassment may seek resolution of ~~their~~ ~~his/her~~ complaint through the procedures described below. Title IX sexual harassment reports will be immediately referred to the District's Title IX Coordinator for processing in accordance with specific procedures set forth in the District's Title IX Sexual Harassment Manual. The prohibition on discrimination and harassment against students based on protected categories, and corresponding procedures, are contained in Policies 5517, 5517.02 and 5517.03.

While there is a 300 calendar day time limit for initiating a complaint of discrimination ~~/ or~~ harassment, individuals should make every effort to submit a complaint as soon as possible after the prohibited conduct occurred while the facts are known and potential witnesses are available, and to ensure the prompt elimination of the conduct in question. Failure on the part of the employee to initiate and/or follow-up on a complaint in a timely manner may result in the complaint being considered abandoned. The procedures below are established to provide a prompt and equitable process for resolving complaints of prohibited discrimination ~~/ or~~ harassment.

These procedures are not intended to interfere with the rights of a member of the School District community or a third party to pursue a complaint of legally prohibited discrimination ~~/ or~~ harassment with any State or Federal enforcement agency.

The initiation of a discrimination or harassment complaint by an employee will not be used as a basis for actions that adversely affect the complainant's standing in ~~their~~ ~~his/her~~ work location. Additionally, participation in or assistance in the investigation of a complaint shall not be used as the basis of any adverse employment action on an employee.

Supervising administrators throughout the District are expected to address issues and/or conflicts at the worksite. Issues should be resolved by encouraging communication with adherence to laws, rules, and guidelines. If the issues of discrimination ~~/ or~~ harassment cannot be resolved, the matter ~~it~~ should be referred to the Compliance Officer without delay.
