The Department of Food and Nutrition works closely with the Office of Community Education and Before/After School Programs to inform after school providers in district facilities of the afterschool meals/snacks program. In addition, after school program providers may be referred to the Department of Food and Nutrition to request after school meals/snacks services by state or local agencies. Accordingly, authorization is also requested for the Superintendent to contract with other agencies that may be recommended for contract by the Department of Food and Nutrition during this school year. The Board will be notified throughout the year of additional contracts that may be issued for this purpose.

RECOMMENDED: That The School Board of Miami-Dade County, Florida, authorize the Superintendent of Schools to enter into contractual agreements with community agencies for the Department of Food and Nutrition to provide after school meals/snacks for participants in their programs from August 31, 2020 through August 31, 2023.
