COMMITTEE: FISCAL ACCOUNTABILITY & GOVERNMENT RELATIONS

LINK TO STRATEGIC BLUEPRINT: EFFECTIVE AND SUSTAINABLE BUSINESS PRACTICES

Procurement Management Services, at the request of Facilities Operations - Maintenance, released the above-referenced solicitation. The purpose of this Invitation to Bid is to secure single, fixed percentage discounts from the Manufacturer's Suggested Retail Price (MSRP) list, to purchase HVAC equipment, parts and supplies, and air conditioning control parts, for Maintenance Operations for Miami-Dade County Public Schools. This is a term bid which states that the Board may purchase quantities as needed, but is not obligated to purchase any guaranteed amount. This ITB was advertised on the Procurement Management Services website, as well as Periscope and DemandStar.

The initial term of the bid shall be for a three (3) year period, commencing December 9, 2020 through December 8, 2023, and may, by mutual agreement between The School Board of Miami-Dade County, Florida, and the successful bidders, be extended for two (2) additional one (1) year periods.

Sixteen (16) vendors responded to this advertised bid. Based on the criteria listed in the solicitation, the contract will be awarded to fifteen (15) vendors, of which two (2) are certified.

M-DCPS OEO staff verified the Small, Micro, Veteran and/or M/WBE certification status of the prime firm and all subcontractors.

No bids were received for discount percentage off equipment items 2, 6, 8, 10, 11, 14, 28, 30, 36, 37, 38, 43, 45, 48, 54, 59, 60, 63, 69, 79, 84, 90, 93, 97, 101, 102, 106, 110, 115, 117, 121, 136 and 139. The recommendation reflects that these items be rejected. Competitive prices will be solicited for these items as the need arises, pursuant to Purchasing Policy 6320, Purchase Approval and Competitive Bidding Process Requirements, which describes the procedures and guidelines to be used for bidding based on the estimated dollar expenditures.

In FY 2019-2020, the District spent \$2,800,000 on HVAC equipment, parts and supplies, and air conditioning control parts.
