SUBJECT: OPERATIONAL UPDATE OF WLRN

COMMITTEE: FISCAL ACCOUNTABILITY & GOVERNMENT RELATIONS

**LINK TO STRATEGIC
BLUERPRINT: EFFECTIVE AND SUSTAINABLE BUSINESS PRACTICES**

WLRN plays an essential role in the local public media by educating, informing, and entertaining our community through public radio and television. As the owner and licensee of WLRN, it is in the best interest of our community that the Miami-Dade County School Board remains apprised on issues concerning the organization and operation of this important community asset.

The current COVID-19 health emergency has created unprecedented logistic challenges for all media organizations, including WLRN, at the time when educational and family-friendly content is greatly needed. For this reason is imperative that the School Board be updated on the current conditions of WLRN.

To this end, this item seeks to direct the Superintendent of Schools to provide the School Board with an updated report on the current operational and organizational conditions of WLRN. This report is to include current information concerning availability of WLRN's personnel and facilities, as well as WLRN's current organizational chart and personnel listing.

This Agenda Item has been reviewed and approved by the School Board Attorney's Office as to form and legal sufficiency.
