**REQUEST FOR PROPOSALS NO. RFP-19-008-VF – TEENAGE PARENT PREVENTION PROGRAM (TAP) CHILDCARE SERVICES** was released to select qualified and experienced agencies to facilitate the Teenage Parent Program (TAP) childcare services for The School Board of Miami-Dade County, Florida. These services include eligibility determination, program monitoring and compliance to Board policies, TAP program recruitment, marketing and educational seminars for parents. All childcare services must be provided within licensed and accredited early care and education centers. The Goal Setting Committee recommended that this solicitation be open with a 10-point preference for SBE/MBE certified firms. In addition, there was an additional 5-point preference for certified firms who are non-incumbent and have not received business with the District within the previous six (6) month period prior to the solicitation deadline. The Selection Committee met on February 5, 2021 and recommended to reject. The recommendation reflects that all proposals be rejected to permit resoliciting, using revised specifications in order to expand district-wide coverage and increase vendor participation.

**RECOMMENDED:** That The School Board of Miami-Dade County, Florida, reject Request for Proposals No. RFP-19-008-VF – Teenage Parent Prevention Program (TAP) Childcare Services, to permit resoliciting using revised specifications.
