

THE SCHOOL BOARD OF MIAMI-DADE COUNTY, FLORIDA

Miami, Florida

Excerpts from Unofficial Minutes of January 5, 2022 Special Board Meeting

121,688 **SP-1 ESTABLISHED** Parameters and critical elements that will govern the identification of qualified candidates for the position of Superintendent of Schools, as follows:

1. Adopted the minimum qualifications for the position of Superintendent of Schools, to include:
  - a. Demonstrated experience as a classroom teacher, a school-site Principal, and school districtwide experience.
  - b. At a minimum a Master's degree or higher; Doctoral degree preferred.
  - c. An understanding of our diverse community and knowledgeable of the needs of our students, including our English Language Learners, Exceptional Education Students, low performing students, our most gifted and talented students, and our students who come from economically deprived neighborhoods.
  - d. At least three (3) years of Highly Effective/Effective public school classroom teaching experience.
  - e. At least seven (7) years of progressively responsible public school administrative experience.
  - f. Knowledge in administration, supervision, curriculum, business affair, personnel management, and program evaluation.
  - g. Oral and written communication skills.
  - h. Ability to work with diverse group of people.
  - i. Knowledge of and experience with industry-standard computer applications.
2. Identified the process and tentative timeline for the selection and appointment of the Superintendent of Schools. The process includes a letter of intent/interest and a resume to be submitted to the School Board Attorney within seven (7) days from today, for the Board's review and consideration.
3. Authorized the Chair to schedule additional special Board meetings to further discuss the selection and appointment of the Superintendent.
4. Directed the School Board Attorney to develop a website with all the information regarding the selection and appointment of the Superintendent, to be updated periodically, where stakeholders can provide their thoughts and ideas about the type of individual the Board should consider.
