LINK TO STRATEGIC

PLAN: HIGHLY EFFECTIVE TEACHERS, LEADERS, & STAFF

Mr. Alberto Maucó Chief Executive Officer, *Mujeres Éxitosas de Alto Nivel (Successful Women of High Level)*, is also a well-known producer and writer in the city of Miami. While being an influential figure in show business, he is considered a leader and a highly regarded individual within the city of Miami, where he has received multiple awards.

In November 2017, Mr. Maucó founded Maucó Global Solutions. Mr. Maucó, acknowledging that many of the successful people around him were women, created, planned, and organized an event called *Mujeres Éxitosas de Alto Nivel*. The inaugural event was a resounding success. Anticipating that three hundred (300) prominent and influential women would participate, five hundred (500) attended, thereby launching *Mujeres Éxitosas de Alto Nivel* in Miami.

While the goal of *Mujeres Éxitosas de Alto Nivel* is to pay tribute to those women whose brilliant careers and extraordinary accomplishments in various fields is important, of greater significance is highlighting their philanthropic organizations that provide extraordinary outreach within the community that impacts significant segments of the population, providing children from marginalized sectors with assistance, support, and sustenance, that undeniably is the goal.

Mujeres Éxitosas de Alto Nivel uses their platform for Hispanic women to give back to their communities and do things the right way, providing a model for the community to emulate.

On January 20, 2022 *Mujeres Éxitosas de Alto Nivel* will celebrate their 5th Anniversary.
