SUBJECT: SCHOOL BOARD ENDORSEMENT OF APRIL 24-30, 2022 AS ADMINISTRATIVE PROFESSIONALS' WEEK AND APRIL 27, 2022 AS ADMINISTRATIVE PROFESSIONALS DAY

COMMITTEE: PERSONNEL, STUDENT, SCHOOL & COMMUNITY SUPPORT

LINK TO STRATEGIC PLAN: HIGHLY EFFECTIVE TEACHERS, LEADERS, & STAFF

Administrative Professionals Week and Administrative Professionals Day were established in 1952 as “National Secretaries Week” in an effort to recognize secretaries for their contributions in the workplace and attract people to secretarial/administrative careers. The International Association of Administrative Professionals announced the name change in 2000 to keep pace with changing job titles and expanding responsibilities of today’s administrative workforce.

This year marks the 70th anniversary of Administrative Professionals Day. Over the decades, the job of an administrative professional has changed dramatically thanks to new tools, techniques and seismic shifts in the economy and culture itself. It has become one of the largest workplace observances. The event is celebrated worldwide, bringing together millions of people for community events, educational seminars, and individual corporate activities to recognize support staff.

Today, there are about 3.4 million secretaries and administrative assistants working in the United States, according to U.S. Department of Labor statistics, and 8.9 million people working in various administrative support roles.

This item has been reviewed and approved by the School Board Attorney’s Office as to form and legal sufficiency.
