

Ms. Perla Tabares Hantman, Chairman

SUBJECT: SCHOOL BOARD RECOGNITION OF THE 2022 WALKSAFE STATEWIDE POSTER CONTEST WINNERS

COMMITTEE: ACADEMICS, INNOVATION, EVALUATION & TECHNOLOGY

LINK TO STRATEGIC

PLAN: SAFE, HEALTHY, & SUPPORTIVE LEARNING ENVIRONMENTS

The WalkSafe program, a part of the KiDZ Neuroscience Center at the University of Miami Miller School of Medicine, was developed to improve pedestrian safety and health for elementary school children on a statewide level. The WalkSafe educational component involves a three-day curriculum, which is designed to teach students safe walking skills, and is taught to coincide with the annual Walk to School events during the month of October.

This year the WalkSafe educational curriculum reached close to 72,360 students from 179 public school classrooms across Miami-Dade County with its pedestrian safety lessons. During the 2021-2022 school year students learned about safe street-crossing behaviors, traffic and pedestrian signs and signals, and the health benefits of walking daily. In addition to the curriculum, the WalkSafe team also hosted its annual Statewide Poster Contest to encourage students to promote key pedestrian safety lessons learned from the three-day educational program.

This year, the contest was very competitive with over 22 submissions from 17 elementary schools and K-8 Centers from Miami-Dade County. Adjudication of the posters was conducted by the KiDZ Neuroscience Center.

The Miami-Dade County winners of the 2022 WalkSafe Statewide Poster Contest are:

Grades K-1: Ahanu West, 1st grade, Frank C. Martin K-8 Center

Grades 2-3: Mark Gonzalez, 3rd grade, Hialeah Elementary

Grades 4-5: Troy Heflin, 4th grade, Redland Elementary

ACTION PROPOSED BY CHAIRMAN

MS. PERLA TABARES HANTMAN:

That The School Board of Miami-Dade County, Florida, recognize and congratulate the winners of the 2022 WalkSafe Statewide Poster Contest.
