SUBJECT: AUTHORIZE THE SUPERINTENDENT TO EXECUTE A PUBLIC SCHOOL CONCURRENCY PROPORTIONATE SHARE MITIGATION DEVELOPMENT AGREEMENT BY AND AMONG CANAL GROVE SIDE APARTMENTS, LTD (THE “APPLICANT”), THE SCHOOL BOARD, AND MIAMI-DADE COUNTY, IN CONNECTION WITH A NEW 266-UNIT RESIDENTIAL DEVELOPMENT

COMMITTEE: FACILITIES AND CONSTRUCTION

LINK TO STRATEGIC PLAN: EFFECTIVE AND SUSTAINABLE OPERATIONAL PRACTICES

Background

Canal Grove Side Apartments, LTD (the “Applicant”) is in the process of obtaining a Site Plan approval from Miami-Dade County (“County”) to develop not more than 266 residential dwelling units (“Residential Development”), on approximately 4.95 acres, located at 27077 South Dixie Highway, Miami, FL 33032, contingent upon the Applicant obtaining a school concurrency determination from the District, in accordance with the terms of the Interlocal Agreement for Public School Facility Planning in Miami-Dade County (“ILA”).

Pursuant to State Statutes and the ILA, the Residential Development application was reviewed by the District for compliance with Public School Concurrency. The review yielded that the applicable Level of Service (“LOS”) standard was met at the middle school and high school levels but is deficient by eighteen (18) elementary school seats.

Proportionate Share Mitigation

Pursuant to the ILA, where there is insufficient capacity to address the impacts of a proposed development, representatives of the Applicant, affected local government and District (collectively “the Parties”) are to discuss ways of mitigating the development’s impact, including proportionate share mitigation options (“Mitigation”). After several meetings, the Parties have reached consensus on Mitigation, subject to Board and County approval; this also allows the Parties to enter into a Public School Concurrency Proportionate Share Mitigation Development Agreement (“Agreement”), pursuant to the ILA.

Under the governing provisions, the minimum acceptable mitigation project is a classroom. In this case, to address the deficiency of eighteen (18) elementary school student stations, Mitigation by the Applicant will be a monetary contribution equal to the cost of one elementary school classroom containing twenty-two (22) student stations at Dr. William A. Chapman Elementary or another impacted District school facility (the "School Project") as determined by the School District, in the amount of \$564,168 (the "Mitigation Cost"). This amount will be included in the District's Facilities Work Program as part of the next update. The Mitigation Cost was derived based on the cost per student station, as published by the State of Florida Department of Education (FDOE) for January of 2023, the date by which the School Project would likely start.

It should be noted that as required under state law and the ILA, the Applicant will be eligible to receive Educational Facilities Impact Fee Credit in an amount estimated at \$399,000, however in no event shall the Impact Fee Credit exceed the amount of the Monetary Proportionate Share Mitigation of \$564,168.

Mitigation Banking

The School Project will yield twenty-two (22) student station, with four (4) remaining seats for future purchase by future residential developments affecting the same Concurrency Service Area ("CSA") at the elementary school level.

Public School Concurrency Proportionate Share Mitigation Development Agreement

The Agreement between the Board, the County and Applicant shall contain, substantially, the following terms and conditions:

- as detailed above, the Applicant shall be required to provide a total Monetary Proportionate Share Mitigation Payment ("Mitigation Payment") to the Board in the amount of \$564,168 for the cost of one elementary classroom containing twenty-two (22) student stations;
- the School Project is to be added to the District's Facilities Work Program at the time of its next update following the execution of the Agreement and upon receipt of the Monetary Proportionate Share Mitigation Payment from the Applicant;
- as required under governing state law and the ILA, the District shall provide the Applicant an Educational Facilities Impact Fee in an amount estimated at \$399,000, however in no event shall the Impact Fee Credit exceed the amount of the Monetary Proportionate Share Mitigation of \$564,168;
- upon the full execution of the Agreement by all Parties and receipt of full payment from the Applicant, the District shall issue a Finding of Available School Facility Capacity ("Finding"). Issuance of the Finding by the District shall be a pre-condition to issuance of building permits by the County for the subject Residential Development;

- the District shall establish and administer a Mitigation Bank, which, in this instance, will have four (4) Banked Seats available for purchase by future applicants failing to meet concurrency at the elementary school level within the same CSAs. There will be no reimbursable value to the Applicant for the Banked Seats;
- the Agreement shall expire upon the Parties' completion of their performance of all obligations or within six (6) years from the date that the Agreement is executed by all Parties, whichever comes first;
- the Applicant may assign its rights, obligations and responsibilities under the Agreement to a third-party purchaser of all or any part of fee simple title to the Residential Development. Any such assignment shall be in writing and shall require the prior written consent of all the Parties;
- the Applicant shall pay all recordation costs to the District necessary to record the Agreement and any related documentation, including without limitation, Assignments, if any, and Releases;
- in the event of any dispute among the Parties, each Party shall be responsible for its own Attorney's fees, and the Parties waive trial by Jury in any action, proceeding or counterclaim brought by any Party against any other Party or Parties with respect to any matter arising under the Agreement; and
- for purposes of the Agreement, the Superintendent or his/her designee shall be the Party designated by the Board to grant or deny any and all approvals required under the Agreement, including, without limitation, issuance of Reports and Releases, and placing the Applicant in default, as may be applicable.

Waiver of Conflict Letter

The Applicant and its affiliates have selected Greenberg Traurig ("GT") to serve as legal counsel in this transaction. Greenberg Traurig has represented in the past and presently represents the Board in other unrelated transactions, but not in this one. To that end, GT has proffered a waiver of conflict letter for the Board's consideration and approval, a copy of which is included as Exhibit "A".

The Agreement has been reviewed and approved for legal sufficiency by the School Board Attorney's Office, as well as reviewed by the Office of Risk and Benefits Management and found to be in compliance with risk management requirements. The Agreement, in final form, is attached hereto as Exhibit "B".

RECOMMENDED:

That The School Board of Miami-Dade County, Florida,

A) Authorize the Superintendent to:

1. execute a Public School Concurrency Proportionate Share Mitigation Development Agreement (“Agreement”) by and among Canal Grove Side Apartments, LTD (the “Applicant”), the School Board, and Miami-Dade County, in connection with a new 266-unit residential development located at 27077 South Dixie Highway, Miami, FL 33032, providing for monetary proportionate share mitigation pursuant to the Interlocal Agreement for Public School Facility Planning in Miami-Dade County;
2. execute any other documentation that may be required to effectuate implementation of the Agreement; and
3. grant or deny any approvals required under the Agreement, including, without limitation, issuance of Reports and Releases, and placing the Applicant in default, as may be applicable.

B) Authorize the School Board Attorney to execute the waiver of conflict letter from Greenberg Traurig, which firm is serving solely as counsel for the Applicant in this transaction.

NOW, THEREFORE, in Consideration of the Sum of Ten Dollars (\$10.00), the mutual covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereto, intending to be legally bound, hereby agree as follows:

1. **INCORPORATION OF RECITALS.** The foregoing recitals are true and correct and are hereby incorporated into this Agreement by this reference as if fully set forth herein.

2. **DEFINITION OF MATERIAL TERMS.** Any terms that are not defined herein are defined as set forth in the ILA.

3. **LEGALLY BINDING COMMITMENT.** The Parties agree that this Agreement constitutes a legally binding commitment by the Applicant to provide Monetary Proportionate

Share Mitigation for the Development Proposal for the Property sought to be approved by the County.

4. **MONETARY PROPORTIONATE SHARE MITIGATION.** The Parties to this Agreement covenant and agree that the Applicant will make its Monetary Proportionate Share Mitigation payment to the School Board within thirty (30) calendar days following the full and proper execution of this Agreement, unless otherwise extended at the sole and absolute discretion of the School Board or designee (defined hereinafter as Effective Date). The Parties agree that the amount of the Monetary Proportionate Share Mitigation shall be Five Hundred Sixty Four Thousand One Hundred Sixty Eight Dollars (\$564,168) for the construction of a 22-seat elementary classroom (22 x \$25,644 = \$564,168), which the Developer shall provide to the School District via a Cashier's Check, or by wire transfer or any other method of payment acceptable to the School Board's Office of Treasury Management. The Monetary Proportionate Share Mitigation funds shall be used by the School District to provide for the creation one elementary school classroom containing twenty-two (22) student stations, at William A. Chapman Elementary or at one of the impacted schools (the "**School Project**"), as determined by the School District. Upon the full execution of this Agreement by all appropriate Parties and receipt of the full Monetary Proportionate Share Mitigation payment, as hereinafter described, the School District shall record this Agreement, in conformance with the provisions of Article 22 hereof, and issue a Finding of Available School Facility Capacity ("**Finding**") pursuant to the ILA. Issuance of a Finding by the School District shall be a pre-condition to issuance of building permits by the County for the subject Development Proposal. The duration and effect of this Finding shall be in accordance with the ILA. However, in no event shall this Finding, or any allocation of student seats based on this Finding ("**School Concurrency Allocation**"), continue to be effective if the

Applicant fails to perform his/her/its obligations under this Agreement. Conversely, once Applicant has completely performed his/her/its obligations under this Agreement, Applicant shall be entitled to rely on the Finding and School Concurrency Allocation to the extent of the School Capacity provided by the Monetary Proportionate Share Mitigation.

In the event Applicant fails to pay the Monetary Proportionate Share Mitigation Payment as provided for herein, the School District, at its sole option, may cancel this Agreement and credit the reserved seats to the Concurrency Service Area from which they were reserved.

5. **EDUCATIONAL FACILITIES IMPACT FEE CREDIT.** As consideration for the Applicant's Monetary Proportionate Share Mitigation specified herein, **and as further elaborated in Section 6(c) of this Agreement**, the Parties agree that the School District shall provide a credit, estimated at Three Hundred Ninety Nine Thousand Dollars (\$399,000), toward any Educational Facilities Impact Fees ("**Impact Fees**") imposed by Miami-Dade County ("**County**") ordinance for construction of the Development Proposal ("**Impact Fee Credit**"). However, in no event will the Impact Fee Credit exceed the amount of the Monetary Proportionate Share Mitigation received by the School District from the Applicant; that is, the total amount of the Impact Fee Credit cannot exceed Five Hundred Sixty Four Thousand One Hundred Sixty Eight Dollars (\$564,168) . The final Impact Fee Credit amount shall be determined by the County, pursuant to the then current Miami-Dade County Educational Facilities Impact Fee Ordinance (Chapter 33K, of Miami-Dade County Code of Ordinances), the Interlocal Agreement Between Dade County and The School Board of Dade County, Florida, relating to Educational Facilities Impact Fee Monies, and the Metropolitan Dade County Educational Facilities Impact Fee Administrative Procedures Manual, as each may have been amended or may be amended from

time to time. The amount of the Impact Fee Credit will not include any administrative or other fees which the County may impose as part of its administrative process.

6. **MITIGATION BANKING.** The Applicant has selected the Monetary Proportionate Share Mitigation option that includes providing for the cost of construction by the School District of one classroom of twenty-two (22) elementary school seats to fully mitigate the Development Proposal. As such, the Board shall establish and manage a Mitigation Bank (“**Mitigation Bank #2022-043**”) with four (4) remaining seats (“Capacity Credits”) for use by future residential developments, as set forth in this Agreement. The School District shall create and administer the Mitigation Bank as follows:

a. The Monetary Proportionate Share Mitigation amount of Five Hundred Sixty Four Thousand One Hundred Sixty Eight Dollars (\$564,168) is the cost of the Monetary Proportionate Share Mitigation option selected by the Applicant, which includes creating a Mitigation Bank whose cost is derived by multiplying the total number of student stations to be constructed (22 seats), by the student station cost of \$25,644, which is the construction cost projected by the Florida Department of Education to be in place at the time of construction of the School Project (January 2023) (i.e. 22 student stations x \$25,644 cost per station = \$564,168). In this Agreement, “**student station**” and “**seat**” shall be used interchangeably unless otherwise specified.

b. **Number of Banked Seats.** The number of Banked Seats shall be established by determining the excess number of school seats, if any, resulting from construction of the School Project (“**Banked Seats**”), to wit: the number of seats to be constructed (22), less the eighteen (18) seats needed to mitigate the Development Proposal,

resulting in four (4) Banked Seats (i.e. 22 seats constructed – 18 mitigated seats = 4 Banked Seats). In this Agreement, “**Banked Seats**” and “**Capacity Credits**” shall be used interchangeably unless otherwise specified.

c. Reimbursable Value of Banked Seats. As detailed above, the selected monetary contribution, which will provide for the cost of construction by the School District of twenty-two (22) elementary school seats, results in four (4) seats in excess of the eighteen (18) seats needed to be mitigated by the Development Proposal. As such, the School District will establish and administer a Mitigation Bank and mitigation banking process, which will have an initial quantity of four (4) Banked Seats. The reimbursable value of Banked Seats shall be determined by adding the estimated Educational Impact Fee amount of Three Hundred Ninety Nine Thousand Dollars (\$399,000) and the value of the seats needed to be mitigated (18 seats x \$25,644 per seat = \$461,592), resulting in the amount of \$860,592, whose amount exceeds the Monetary Proportionate Share Mitigation of \$564,168, thus there is no reimbursable value to the Applicant for each Banked Seat.

d. Expiration of Capacity Credits. Capacity Credits may be purchased by future applicant(s) within six (6) years from the date the School Board authorized the execution of this Agreement, which in this instance, is hereby established as, May 18, 2022, and subject to expiration of timeframe set forth under Section 17 hereof. After 5:00 PM (Miami Time), May 18, 2028, any remaining Capacity Credits created by the Monetary Proportionate Share Mitigation option shall be deemed expired, and any

Banked Seat(s) not yet transferred will be returned to the Concurrency Service Area where the School Project was constructed.

e. **Purchasing of Capacity Credits by Future Applicants.** The School District agrees to make known to all future residential development applicants within the Concurrency Service Area or Adjacent Concurrency Service Areas within the same Geographic Area, the option to purchase Capacity Credits from this Mitigation Bank. Future applicants may purchase Capacity Credit(s) only if the Mitigation Bank(s) has sufficient number of available seats to provide for the entire school capacity deficiency.

f. **Priority of Capacity Credit Transfers.** In the event multiple mitigation banks are created by other applicants, for the same Concurrency Service Area or Adjacent Concurrency Service Areas within the same Geographic Area, the Capacity Credits shall be made available for transfer to future applicants in the order in which each mitigation bank was created.

g. **Annual Reports.** The School District will provide annual reports to the Applicant (“Annual Reports”), containing the balance of Banked Seats remaining, if any, and Capacity Credit transfers, if any, prior to July 1 of each year. The School District shall charge an annual administrative fee as may be established in the Procedures Manual for Implementing the Amended and Restated Interlocal Agreement for Public School Facility Planning in Miami-Dade County. The annual administrative fee shall be paid by the Applicant to the School District prior to issuance of the Annual Report. Upon

expiration or transfer of all Capacity Credits, the School District shall issue a final report to Applicant (“Final Report”).

7. **SCHOOL CAPACITY IMPROVEMENT.** The School District agrees to apply the Monetary Proportionate Share Mitigation payment made by the Applicant toward the School Project described under Section 4 of this Agreement. The School Project will include the Monetary Proportionate Share Mitigation, which will be reflected in the District’s Facilities Work Program at the time of its next annual update following the execution of this Agreement and receipt of the total Monetary Proportionate Share Mitigation payment as set forth herein.

8. **EFFECTIVE DATE.** This Agreement shall take effect upon the last of the Parties signing this Agreement, but in no event later than June 25, 2022 (“**Effective Date**”). Failure to deliver this Agreement to the School Board executed by the Applicant by April 15, 2022 and by the County by May 14, 2022, may, in the sole discretion of the School District, result in the revocation of the Concurrency Determination issued by the School District on November 3, 2021, incorporated herein by reference.

9. **TERM.** This Agreement shall expire upon the Parties’ completion of their performance of all obligations herein or within six (6) years from Effective Date, whichever comes first.

10. **STATUTORY COMPLIANCE.** The Parties agree that this Agreement satisfies the requirements for a binding Proportionate Share Mitigation agreement in Section 163.3180(6)(h)2, Florida Statutes and as provided for in the ILA.

the earliest of the following times: (a) issuance of a final development order of either the first building permit for the Development Project or District's Final Plat sign-off; or (b) the School District Encumbers ("**Encumbers**" shall mean monies committed by contract or purchase order in a manner that obligates the School Board to expend the funded amount upon delivery of goods or the rendering of services provided by a vendor, supplier or contractor for the School Project) any portion of the Monetary Proportionate Share Mitigation payment; or (c) six (6) months after the date that this Agreement is authorized by the School Board.

18. COVENANT RUNNING WITH THE LAND. This Agreement shall constitute a covenant running with the land and shall be recorded by the School Board, at the Applicant's expense, in the public records of Miami-Dade County, Florida, and shall remain in full force and effect and be binding upon the undersigned Applicant, and its heirs, successors and assigns, until such time as the same expires in accordance with the provisions hereof, or is otherwise modified or released pursuant to an instrument executed on behalf of the Parties.

19. ASSIGNMENT. The Applicant may assign its rights, obligations and responsibilities under this Agreement to a third-party purchaser of all or any part of fee simple title to the Property. Any such assignment shall be in writing and shall require the prior written consent of all of the Parties, such consent not to be unreasonably withheld. At the election of the School District, such consent may be conditioned upon the written agreement of the assignee to assume all of Applicant/Assignor's duties and obligations under this Agreement and to comply with conditions and procedures to aid in the monitoring and enforcement of the assignee's performance of the Monetary Proportionate Share Mitigation under this Agreement. The Assignor under such assignment shall furnish the Parties with a copy of the duly executed assignment, in

recordable form, within ten (10) days of the date of execution of same. The Parties further agree that an assignment of this Agreement shall only be permitted where (a) the Applicant/Assignor has mitigated for the public school impacts of the subject Property with Monetary Proportionate Share Mitigation payment having been made, (b) this Agreement is being assigned to the purchaser of the subject Property, and (c) the assigned Monetary Proportionate Share Mitigation continues to be used for the subject School Project.

20. DEFAULT. If any Party fails to perform or observe any of the material terms and conditions of this Agreement (except for failure to pay the Proportionate Share Mitigation Payment as set forth under Section 4 of this Agreement) for a period of thirty (30) calendar days after receipt of written notice of such default from another Party, the Party giving notice of default may terminate this Agreement by providing the Parties with ten (10) days additional written notice. Failure of any Party to exercise its rights in the event of any breach by one or more other Parties shall not constitute a waiver of such rights. No Party shall be deemed to have waived any failure to perform by another Party unless such waiver is in writing and signed by the other Parties. Such waiver shall be limited to the terms specifically contained therein.

Notwithstanding the foregoing, the Parties further agree that in the event the Applicant does not make the Proportionate Share Mitigation Payment via a Cashier's Check, or by wire transfer or any other method of payment acceptable to the School Board's Office of Treasury Management within the established period, as detailed above, the Applicant must within five (5) business days of written notice of demand from the School Board make such payment. In the event the Developer still fails to make payment within the five (5) business days to the School District as prescribed above, the following shall occur: (1) the Finding shall not be issued by the School

District and the County shall be so notified so that no building permits may be issued; (2) if the School District had previously included the School Project in the District's Capital Plan, the School Project will be placed on hold and/or removed from the District's Capital Plan until the total Monetary Proportionate Share Mitigation payment is received; (3) the School District, at its sole option, may cancel this Agreement and credit the reserved seats to the Concurrency Service Area from which they were reserved; and (4) in order for the development to proceed, the Local Government will need to submit a new application to the School District for school concurrency determination.

21. COUNTERPARTS/ ORIGINAL SIGNATURES. This Agreement may be executed in three (3) counterparts, each of which when executed and delivered shall be deemed to be an original; however, all such counterparts together shall constitute but one and the same instrument. Signature and acknowledgment pages, if any, may be detached from the counterparts and attached to a single copy of this document to physically form one document. The School Board shall be the last party to execute this Agreement. ALL SIGNATURES TO THIS AGREEMENT (INCLUDING JOINDERS AND NOTARIZATIONS) SHALL BE ORIGINAL SIGNATURES, NOT ELECTRONIC.

22. RECORDING OF DOCUMENTS AND FEES. The School District shall record this Agreement and any related documentation, including without limitation, Assignments, if any, and Releases, within thirty (30) days after proper execution thereof and receipt of the document and recordation costs, in the Public Records of Miami-Dade County, Florida. The Applicant shall pay all recordation costs to the School District.

23. **SEVERABILITY.** If any provision of this Agreement is declared invalid or unenforceable by a court of competent jurisdiction, the invalid or unenforceable provision will be stricken from the Agreement, and the balance of the Agreement will remain in full force and effect as long as doing so would not affect the overall purpose or intent of the Agreement.

24. **WAIVER OF TRIAL BY JURY. THE PARTIES WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM BROUGHT BY ANY PARTY AGAINST ANY OTHER PARTY OR PARTIES WITH RESPECT TO ANY MATTER ARISING UNDER THIS AGREEMENT.**

25. **TIME IS OF THE ESSENCE.** Time is of the essence in the performance of this Agreement.

26. **MERGER CLAUSE.** This Agreement and all Exhibits thereto set forth the entire agreement among the Parties, and it supersedes all prior and contemporaneous negotiations, understandings and agreements, written or oral, among the Parties.

27. **PUBLIC RECORDS LAWS.** This Agreement shall be subject to Florida's Public Records Laws, Chapter 119, Florida Statutes. The Parties understand the broad nature of these laws and agree to comply with Florida's Public Records Laws and laws relating to records retention. The Parties acknowledge and accept the authority of the School Board and the County to request and authorize audits, inspections, and reviews, including, but not limited to, the authority to access the Developer's records, its/their legal representatives' and contractors' records with respect to this Agreement and the obligation of the Developer to retain and to make those records available upon request, and in accordance with all applicable laws. Developer shall

keep records to show its/their compliance with this Agreement. In addition, Developer's contractors and subcontractors must make available, upon School Board's and County's request, any books, documents, papers and records which are directly pertinent to this specific Agreement for the purpose of making audit, examination, excerpts, and transcriptions.

The Developer, its contractors and sub-contractors shall (i) retain all records for five (5) years after the Effective Date of this Agreement; and (ii) the School Board and the County shall retain records for five (5) years after the expiration, early termination or cancellation of this Agreement. The Developer shall incorporate this Section 27 into every contract that it enters into relating to the subject Property.
