SUBJECT: REVIEW OF SCHOOL BOARD POLICY 7510, *USE OF DISTRICT FACILITIES*

COMMITTEE: FACILITIES & CONSTRUCTION

LINK TO STRATEGIC PLAN: EFFECTIVE & SUSTAINABLE OPERATIONAL PRACTICES

The School Board of Miami-Dade County, Florida, is a publicly funded governing body, entrusted with the operation of our local school district to further the education of the children in our County. In that spirit of service, Board-operated facilities may also house community activities and events that contribute to the cultural, mental, and physical development of our students beyond the academic classwork. Flexibility in the use and operation of these publicly supported facilities provides great enrichment opportunities for our community, but also requires a great level of fiduciary care on the part of the Board.

This agenda item seeks to direct the Superintendent of Schools to conduct a review of School Board policy 7510, *Use of District Facilities*, and to initiate policymaking, as appropriate, in order to ensure cross-policy consistency and to ensure that the educational and public service mission of the School Board is observed in the rental of district facilities.

This item does not appear on the published agenda. There exists good cause to vary from the published agenda as the issue addressed herein is time sensitive and developed after the publication of the September Board Meeting agenda.

This Agenda Item has been reviewed and approved by the School Board Attorney’s Office as to form and legal sufficiency.
