SUBJECT: REQUEST THAT THE SCHOOL BOARD OF MIAMI-DADE COUNTY, FLORIDA, APPROVE THE 2022-2023 SCHOOL IMPROVEMENT PROCESS (SIPs)

COMMITTEE: ACADEMICS, INNOVATION, EVALUATION, AND TECHNOLOGY

LINK TO STRATEGIC PLAN: RELEVANT, RIGOROUS, AND INNOVATIVE ACADEMICS

Miami-Dade County Public Schools (M-DCPS) requires that schools develop and implement a School Improvement Plan (SIP), which includes specific strategies to improve student performance and address educational priorities.

For the 2022-2023 school year, 383 Miami-Dade County Public Schools (specialized centers, alternative schools, and the Department of Juvenile Justice, along with 69 charter schools) completed a SIP using the State of Florida's Bureau of School Improvement's online SIP template.

The 2022-2023 SIPs were developed through a peer review process which included school site stakeholders' feedback, review and approval by Regional and District staff, review and feedback by the State Regional Executive Director for schools identified by the Florida Department of Education as Targeted Support and Improvement (TS&I) or Comprehensive Support and Improvement (CS&I), and approval by the school-site Educational Excellence School Advisory Council (EESAC). Implementation will be monitored at all levels throughout the school year.

The School Improvement Process will be implemented in six phases throughout the school year, ensuring schools are continuously defining their current reality and developing meaningful action steps to address the Areas of Focus. The six phases of the SIP are:

- **Phase I: Data Analysis** (Analyze, Reflect, Identify): July 18- August 12, 2022
- **Phase II: Action Planning** (Consensus, Define, Implement): August 15- August 19, 2022
 - **Phase II Implementation Plan 1:** August 22- October 14, 2022
 - **Phase II Implementation Plan 1-Data and Systems Review:** October 17-October 28, 2022

- **Phase III - Implementation Plan 2** (Consensus, Define, Implement): October 31-December 16, 2022
- **Phase IV - Mid-Year Review** (Reflection and Modification): January 9-27, 2023
- **Phase V- Ramping Up** (Implement with Fidelity): January 30- April 28, 2023
 - **Implementation Plan 3 and Preparation for Testing**
- **Phase VI - End-of-Year Reflection:** May 1-June 2, 2023

All SIPs were developed through a collegial consensus building process which included the District and Regions as well as approval by the Educational Excellence School Advisory Council and Region staff.

A copy of the School Improvement Plan for each school is available on the web at: [2022-2023 SCHOOL IMPROVEMENT PLANS](#).

RECOMMENDED: That The School Board of Miami-Dade County, Florida, approve and require the implementation of the 2022-2023 School Improvement Plans. The Board will be notified as updates are made to each phase of the SIP.
