Office of Superintendent of Schools
Board Meeting of October 19, 2022

October 5, 2022

Tabitha G. Fazzino, Chief Intergovernmental Affairs, Family, & Community Engagement
Office of Intergovernmental Affairs, Family, and Community Engagement

SUBJECT: **AUTHORIZE THE SUPERINTENDENT TO FORM AN EDUCATION COMPACT BETWEEN MIAMI-DADE COUNTY PUBLIC SCHOOLS AND THE CITY OF NORTH MIAMI BEACH**

COMMITTEE: **FISCAL ACCOUNTABILITY & GOVERNMENT RELATIONS**

LINK TO STRATEGIC PLAN: **INFORMED, ENGAGED AND EMPOWERED STAKEHOLDERS**

Following the blueprint established by the formation of the Education Compacts between Miami-Dade County Public Schools (District) and other local governments, the District and the City of North Miami Beach (City) will now partner to bring together each organization's collective resources for the greater benefit of both the students and the citizens of North Miami Beach.

The City of North Miami Beach, Florida, incorporated in 1927, is one of 34 municipalities in Miami-Dade County. The City is home to approximately 43,000 residents and is located in the North East section of Miami-Dade County, midway between Miami and Fort Lauderdale-Hollywood International Airports. With a community richly diverse and inclusive, the City is committed to the growth and sustainability of businesses, education initiatives, the arts, and leisure activities to provide an excellent quality of life for the residents in a City rich in history.

The City is home to two (2) Miami-Dade County Public Schools facilities including Fulford Elementary School and Greynolds Park Elementary School. These schools are part of the North Miami Beach feeder pattern. Gertrude K. Edelman/Sabal Palm Elementary School, John F. Kennedy Middle School, and North Miami Beach Senior High School are geographically outside of the City boundaries, but serve its residents.

Through this Education Compact, the District and the City will collaborate to meet the educational needs of each child and enhance learning opportunities for all. The areas of focus include but not limited to student achievement, family and community engagement, teacher involvement, and communication.

RECOMMENDED: That The School Board of Miami-Dade County, Florida:

1. endorse the establishment of an Education Compact between Miami-Dade County Public Schools and the City of North Miami Beach; and

2. authorize the Superintendent to finalize and execute agreements necessary to facilitate the compact.
